This book is not to be used to arouse hatred or violence towards the actors of the YaH-Theater. It is solely to be used as educational insight in the world we live in, and to be used for research purpose in the pursuit of Truth = Reality.

This book is part of my series: Welcome in Kabbalah-Land.

The purpose of the Kabbalah-Land series is to get all people out of the YaH-Theater and back into Reality.

1. The Inherent Rights Hoax

Before we go into the ‘Right to Freedom of Speech’ PsyOp let us first get straight what inherent rights actually are, how they came about and why they are a giant Hoax.

We start with the definition of a right:

Miriam-Webster dictionary:

right 2 of 4 **noun**

plural **rights**

1 : qualities (such as adherence to duty or obedience to lawful authority) that together constitute the ideal of moral propriety or merit moral approval

2 : something to which one has a just claim: such as

a : the power or privilege to which one is justly entitled

voting *rights*

his *right* to decide

b (1) : the interest that one has in a piece of property → often used in plural

mineral *rights*

(2) **rights** plural : the property interest possessed under law or custom and agreement in an intangible thing especially of a literary and artistic nature

film *rights* of the novel

3 : something that one may properly claim as due

knowing the truth is her *right*

Synonyms:

Noun

privilege prerogative

privilege 1 of 2 **noun**

priv·i·lege ˈpriv-lij ˈpri-və-

Synonyms of *privilege* ›

: a right or immunity granted as a peculiar benefit, advantage, or favor : **PREROGATIVE**

especially : such a right or immunity attached specifically to a position or an office

prerogative **noun**

pre·rog·a·tive pri-ˈrä-gə-tiv

Synonyms of *prerogative* ›

1 **a** : an exclusive or special right, power, or privilege: such as

(1) : one belonging to an office or an official body

(2) : one belonging to a person, group, or class of individuals

(3) : one possessed by a nation as an attribute of sovereignty

b : the discretionary power inhering in the British Crown

2 : a distinctive excellence

claim 2 of 2 **noun**

1 : a demand for something due or believed to be due
> an insurance *claim*

2 **a** : a right to something

specifically : a title to a debt, privilege, or other thing in the possession of another
> The bank has a *claim* on their house.

b : an assertion open to challenge
> a *claim* of authenticity
>
> advertisers' extravagant *claims*

3 : something that is claimed

especially : a tract of land staked out
> The prospector's *claim* was set at 90 yards to reduce the potential for conflict.

So, right means having a just claim or privilege.

Now let us go to the human rights which are inherent.

Merriam-Webster:

Inherent literally refers to something that is "stuck in" something else so firmly that they can't be separated. A plan may have an inherent flaw that will cause it to fail; a person may have inherent virtues that everyone admires. Since the flaw and the virtues can't be removed, the plan may simply have to be thrown out and the person will remain virtuous forever.

United Nations:

What Are Human Rights?

Human rights are rights inherent to all human beings, regardless of race, sex, nationality, ethnicity, language, religion, or any other status. Human rights include the right to life and liberty, freedom from slavery and torture, freedom of opinion and expression, the right to work and education, and many more. Everyone is entitled to these rights, without discrimination.

Merriam-Webster:

Inherent/inalienable:

What is the difference between inalienable and inherent rights?

Human rights are universal, inherent to every individual without discrimination; inalienable, meaning that no one can take them away; indivisible and interrelated, with all rights having equal status and being necessary to protect human dignity. 9 dec 2019

What does it mean that these rights are inherent?

Human rights are rights we have simply because we exist as human beings - they are not granted by any state. These universal rights are inherent to us all, regardless of nationality, sex, national or ethnic origin, color, religion, language, or any other status.

So, human just claims/privileges granted by ??? are stuck to us, glued firmly, and cannot be taken away by anyone, or?

OHCHR:

> The principle of **universality** of human rights is the cornerstone of international human rights law. This means that we are all equally entitled to our human rights. This principle, as first emphasized in the UDHR, is repeated in many international human rights conventions, declarations, and resolutions.
>
> Human rights are **inalienable**. They should not be taken away, except in specific situations and according to due process. For example, the right to liberty may be restricted if a person is found guilty of a crime by a court of law.

Wait a minute: “should not be taken away”, you mean they are not firmly glued to us? What happened to:

> *Inherent* literally refers to something that is "stuck in" something else so firmly that they can't be separated. A plan may have an inherent flaw that will cause it to fail; a person may have inherent virtues that everyone admires. Since the flaw and the virtues can't be removed, the plan may simply have to be thrown out and the person will remain virtuous forever.

So, what is stuck to us, but not really:

> What are the 7 basic human rights?
>
> These include the right to life, the right to a fair trial, freedom from torture and other cruel and inhuman treatment, freedom of speech, freedom of religion, and the rights to health, education and an adequate standard of living.

Wait, ‘nature’ came up with this fair trial, torture and religion? Really?

> What are the big 3 unalienable rights?
>
> We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. 7 aug 2025

The “creator” (they mean YaHWeH of course) wants you to be happy. That is the American people, the rest of the world just has to live miserably. Sorry non-Americans YaHWeH did not give you a sticker.

But these are only claims/privileges given by ??? You have nothing yet, there is no food, education, etc. What now? Aha, we need a government, the ultimate slave-system:

OHCHR:

Human rights are rights we have simply because we exist as human beings - they are not granted by any state. These universal rights are **inherent** to us all, regardless of nationality, sex, national or ethnic origin, color, religion, language, or any other status. They range from the most fundamental - the right to life - to those that make life worth living, such as the rights to food, education, work, health, and liberty.

The **Universal Declaration of Human Rights (UDHR),** adopted by the UN General Assembly in 1948, was the first legal document to set out the fundamental human rights to be universally protected. The UDHR, which turns 75 on 10 December 2023, continues to be the foundation of all international human rights law. Its **30 articles** provide the principles and building blocks of current and future human rights conventions, treaties and other legal instruments.

The UDHR, together with the 2 covenants - the International Covenant for Civil and Political Rights, and the International Covenant for Economic, Social and Cultural Rights - make up the **International Bill of Rights**.

All States have ratified at least 1 of the 9 **core human rights treaties**, as well as 1 of the 9 optional protocols. Eighty per cent of States have ratified 4 or more. This means that States have obligations and duties under international law to respect, protect and fulfill human rights.

- The obligation to **respect** means that States must refrain from interfering with or curtailing the enjoyment of human rights.
- The obligation to **protect** requires States to protect individuals and groups against human rights abuses.
- The obligation to **fulfill** means that States must take positive action to facilitate the enjoyment of basic human rights.

Meanwhile, as individuals, while we are entitled to our human rights – but, we should also respect and **stand up** for the human rights of others.

Key features of the Bill of Rights:

- **Guaranteed rights**: It spells out the rights of individuals in relation to their government, ensuring protections for freedoms and liberties.

Are you telling me that the only way I can have freedom, is having a government = slave-system, which facilitates my freedom? Schizophrenia anyone?

The Declaration of Independence of the USA:

The Declaration of Independence identifies natural rights as the inalienable rights to "life, liberty, and the pursuit of happiness" that all individuals are endowed with by their Creator. These rights are considered "unalienable," meaning they cannot be taken away, and governments are created to protect them, deriving their power from the "consent of the governed". When a government becomes destructive of these ends, the people have the right to alter or abolish it.

- **Unalienable Rights:** The Declaration states that individuals are born with inherent rights that cannot be surrendered.
- **Core Rights:** The three core rights explicitly mentioned are the right to life, the right to liberty, and the right to the pursuit of happiness.
- **Basis for Government:** The purpose of government, according to the Declaration, is to secure these natural rights. It is founded on the principle that its just powers come from the consent of the people it governs.

Is freedom an inalienable right?

All men are by nature free and independent, and have certain inherent and inalienable rights — among these are life, liberty, and the pursuit of happiness. To secure these rights and the protection of property, governments are instituted among men, deriving their just powers from the consent of the governed.

Yep, it says so: The purpose of government = slavery is to secure the right to freedom. Wow.

It gets even better:

Inherent rights are **fundamental human rights that an individual possesses by virtue of being human, not because they are granted by a government or society**. These rights are considered universal and inalienable, meaning they apply to everyone, everywhere, and cannot be taken away or given up. Examples include the right to life, liberty, and freedom from torture, as well as rights like freedom of expression, education, and work. The concept is foundational to many democratic and human rights frameworks, such as the Universal Declaration of Human Rights (UDHR).

- **Universal and inalienable:** These rights apply to all people regardless of their nationality, sex, race, religion, or any other status. They are considered inseparable from human dignity and are not dependent on individual behavior or merit.
- **Basis of democratic ideals:** The idea of inherent rights is a cornerstone of democratic societies, which hold that individuals are entitled to respect and protection under the law simply by being human.
- **Examples:**
  - The right to life, liberty, and security
  - Freedom from slavery and torture
  - Freedom of thought, opinion, and expression
  - The right to work, education, and an adequate standard of living

"The IDEA of inherent rights". Wait a minute, idea??? What about stuck to us?

Who came up with this IDEA?

First what are natural rights?

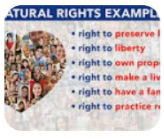
- **Natural rights:** The term "natural rights" is often used interchangeably with inherent rights to describe these fundamental rights that are believed to exist independently of human-made law.

Natural Rights:
Rights that are believed to be granted by nature or God, such as life, liberty, and property, which individuals possess inherently.

Believed? We are getting into Kabbalah-Land territory.

AI-overzicht

Natural rights are fundamental, universal rights inherent to all people by virtue of being human, not granted by governments or laws. They are considered inalienable, meaning they cannot be taken away. Influential thinkers like John Locke identified them as the rights to life, liberty, and property, while the U.S. Declaration of Independence famously includes the right to "Life, Liberty and the pursuit of Happiness".



Key characteristics

- **Inherent and universal:** Natural rights exist for everyone, regardless of their location, culture, or legal system.
- **Unalienable:** They cannot be surrendered or taken away by any authority.
- **Inalienable:** Unlike legal rights, which are created by specific laws and can be changed, natural rights are seen as a fundamental part of human existence.
- **Foundation for laws:** The concept provides a moral basis for governments and is used to evaluate the legitimacy of laws and political systems.

We will come back to this moral basis for government.

Who defined natural rights?

Thomas Hobbes (1588–1679) and John Locke (1632–1704) in England, and Jean Jacques Rousseau (1712–1778) in France, were among the philosophers who developed a theory of natural rights based on rights to life, liberty, and property (later expanded by Jefferson to "the pursuit of happiness") that individuals would have in ... 31 jul 2023

- **Philosophical roots:** Philosophers such as John Locke, Thomas Hobbes, and Jean-Jacques Rousseau developed theories of natural rights, often based on a hypothetical "state of nature".

Oh no, we saw it coming no? It is all freemasonic Kabbalistic fantasies (remember the 'university of Paris'?) 'based on a hypothetical "state of nature"'. You must be joking.

Let's get into the history of these supposed "natural laws".

Wikipedia:

Because of its origins in the Old Testament, early Church Fathers, especially those in the West, saw natural law as part of the natural foundation of Christianity. The most notable among these was Augustine of Hippo, who equated natural law with humanity's prelapsarian state; as such, a life according to unbroken human nature was no longer possible and persons needed instead to seek healing and salvation through the divine law and grace of Jesus Christ. Augustine was also among the earliest to examine the legitimacy of the laws of man, and attempt to define the boundaries of what laws and rights occur naturally based on wisdom and conscience, instead of being arbitrarily imposed by mortals, and if people are obligated to obey laws that are unjust.[53]

Although the central ideas of natural law had been part of Christian thought since the Roman Empire, its foundation as a consistent system was laid by Aquinas, who synthesized and condensed his predecessors' ideas into his *Lex Naturalis* (lit. 'natural law').[10] Aquinas argues that because human beings have reason, and because reason is a spark of the divine, all human lives are sacred and of infinite value compared to any other created object, meaning everyone is fundamentally equal and bestowed with an intrinsic basic set of rights that no one can remove.

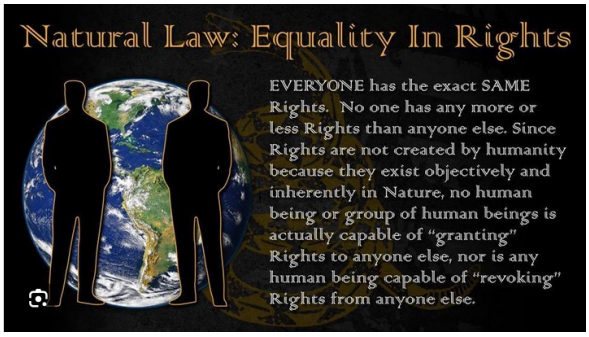
I know there was no Roman Empire, this is all dreamed up in the 15 - 18th century.

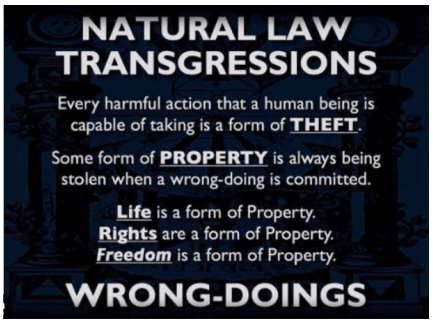
Natural law[1] (Latin: *ius naturale*, *lex naturalis*) is a philosophical and legal theory that posits the existence of a set of inherent laws derived from nature and universal moral principles, which are discoverable through reason. In ethics, **natural law theory**[2] asserts that certain rights and moral values are inherent in human nature and can be understood universally, independent of enacted laws or societal norms. In jurisprudence, natural law—sometimes referred to as **iusnaturalism**[3] or **jusnaturalism**,[4] but not to be confused with what is called simply *naturalism* in legal philosophy[5][6]—holds that there are objective legal standards based on morality that underlie and inform the creation, interpretation, and application of human-made laws. This contrasts with *positive law* (as in legal positivism),[7] which emphasizes that laws are rules created by human authorities and are not necessarily connected to moral principles. Natural law can refer to "theories of ethics, theories of politics, theories of civil law, and theories of religious morality",[8] depending on the context in which naturally-grounded practical principles are claimed to exist.

Basic Goods (Aquinas)		Basic Goods (Al-Ghazali)		Basic Goods (Finnis)
Life	=	Life	=	Life
Shun ignorance	=	Intellect	=	Practical Reasonableness
Seek God	=	Religion	=	Religion
Reproduction	=	Reproduction		Knowledge
Live in Society		Wealth		Friendship
Avoid Offense				Play
Educate One's Offspring				Aesthetic Experience

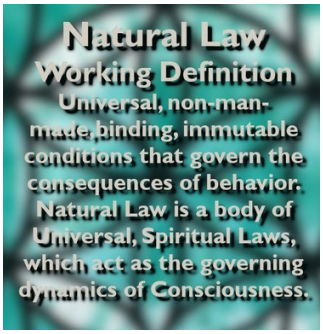
I love the 'Avoid Offense'. A bit difficult to do when everybody is schizophrenic. When everybody lives in Reality nobody will ever be offended.
Guess for what kind of society 'nature' created natural law?
We are not talking about morals no we talk about religious morals, another illusion, there is no such thing as religious morals.

The schizophrenic New Age version:





Nobody can revoke rights but….. they can steal them. OK. How does that work?



So, they are spiritual = psychotic laws which act as the governing dynamics of a non-existing Kabbalistic consciousness, which is some kind of ghost that floats around in your brain, 'proven' by hallucinations of a Rabbi. Must be true then.
What on earth is 'conditions that govern the consequences of behavior'? Apparently, it does not govern my behaviour, no that of course is YaHWeH testing me. Seeing that the biggest psychopaths on earth are billionairs these natural laws do not really work or are they invented by psychopaths and the more evil you are the more you get rewarded, just like the bible prescribes?

Of course in natural law just as in the 'god-given' rights you have the right to be psychotic. Can anybody explain to me why there is a law in Nature that gives people the permission or urge to live in a psychosis? Supposedly Nature hates itself so much that it forces human beings to live in a fantasy-world of their own making. How does this even make sense to people?

As these are christian fantasies we have to go further back to the root. What is the root of everything? The bible.

Where in the bible do these rights come from? Oh, of course from our favourite communist Jesus. “He was no communist he was a christian, we hate communists.” Really?

Acts 4:

> 32 All the believers were one in heart and mind. No one claimed that any of their possessions was their own, but they shared everything they had. 33 With great power the apostles continued to testify to the resurrection of the Lord Jesus. And God’s grace was so powerfully at work in them all 34 that there were no needy persons among them. For from time to time those who owned land or houses sold them, brought the money from the sales 35 and put it at the apostles’ feet, and it was distributed to anyone who had need.

Other people have to provide you with food, water, clothes and a place to sleep, because you know: “You have a right to it, so you can just demand it”. And if people refuse, well you just take it. If you have a right to all this stuff then why does this lord not just give it, why do other people have to give up their stuff?

Matthew 6:

> 25 Therefore I say unto you, Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on. Is not the life more than meat, and the body than raiment?
>
> 26 Behold the fowls of the air: for they sow not, neither do they reap, nor gather into barns; yet your heavenly Father feedeth them. Are ye not much better than they?
>
> 27 Which of you by taking thought can add one cubit unto his stature?
>
> 28 And why take ye thought for raiment? Consider the lilies of the field, how they grow; they toil not, neither do they spin:
>
> 29 And yet I say unto you, That even Solomon in all his glory was not arrayed like one of these.
>
> 30 Wherefore, if God so clothe the grass of the field, which to day is, and to morrow is cast into the oven, shall he not much more clothe you, O ye of little faith?
>
> 31 Therefore take no thought, saying, What shall we eat? or, What shall we drink? or, Wherewithal shall we be clothed?
>
> 32 (For after all these things do the Gentiles seek:) for your heavenly Father knoweth that ye have need of all these things.
>
> 33 But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.
>
> 34 Take therefore no thought for the morrow: for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof.

Schizophrenic Jesus: “Since the flowers do not grow their own food or make their own clothes, why should you?” Sounds logical….

Luke 10:

10 After these things the LORD appointed other seventy also, and sent them two and two before his face into every city and place, whither he himself would come.

2 Therefore said he unto them, The harvest truly is great, but the labourers are few: pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest.

3 Go your ways: behold, I send you forth as lambs among wolves.

4 Carry neither purse, nor scrip, nor shoes: and salute no man by the way.

5 And into whatsoever house ye enter, first say, Peace be to this house.

6 And if the son of peace be there, your peace shall rest upon it: if not, it shall turn to you again.

7 And in the same house remain, eating and drinking such things as they give: for the labourer is worthy of his hire. Go not from house to house.

8 And into whatsoever city ye enter, and they receive you, eat such things as are set before you:

Funny how YaHWeH does not feed these brainwashers but other people have to give up their food, paid for by working hard.

Luke 11:

11 One day Jesus was praying in a certain place. When he finished, one of his disciples said to him, "Lord, teach us to pray, just as John taught his disciples."

2 He said to them, "When you pray, say:

"'Father,[a]
hallowed be your name,
your kingdom come.[b]
3 Give us each day our daily bread.
4 Forgive us our sins,
for we also forgive everyone who sins against us.[c]
And lead us not into temptation.[d]'"

5 Then Jesus said to them, "Suppose you have a friend, and you go to him at midnight and say, 'Friend, lend me three loaves of bread; **6** a friend of mine on a journey has come to me, and I have no food to offer him.' **7** And suppose the one inside answers, 'Don't bother me. The door is already locked, and my children and I are in bed. I can't get up and give you anything.' **8** I tell you, even though he will not get up and give you the bread because of friendship, yet because of your shameless audacity[e] he will surely get up and give you as much as you need.

9 "So I say to you: Ask and it will be given to you; seek and you will find; knock and the door will be opened to you. **10** For everyone who asks receives; the one who seeks finds; and to the one who knocks, the door will be opened.

"Give us our daily bread" does not mean that this lord gives food, no other people have to give up their food.

We are so lucky we got a sticker with the right to work, how else are we going to pay for the right to food, water, clothes, a house plus for all the other people all over the world who are too lazy to work but do have these stickers?

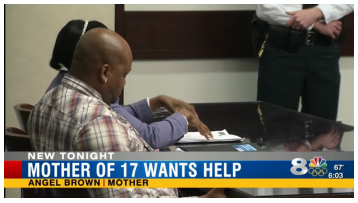
United Nations:

> Meanwhile, as individuals, while we are entitled to our human rights – but, we should also respect and **stand up** for the human rights of others.

With 'respect and stand up for' they actually mean 'pay for' of course.

This is the insanity that has been created by this human rights brainwash:

Other people have to provide for food, water, clothes, housing because you know, we are born with these rights.



“Jesus told me so…”

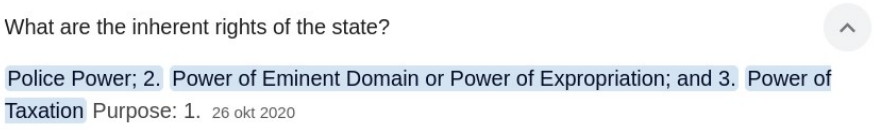
This mother of 17 children wants food, drink, clothes and a house. Because, well they were all born with human rights.

I do have to laugh about these blacks in America. While crying every day that their ancestors where slaves of ‘evil white people’ they admit that they are incapable of governing their own lives and need ‘evil white people’ to keep them alive. The ultimate form of slavery: put the responsibility of your own survival in the hands of someone else.

If you want a civil war then first brainwash everybody with the right to food and then you take away all the food. All the schizophrenic slaves you have created will start a food-war. Anybody complaining that people start stealing when they are hungry, but believe in this human rights fairy tale: You have absolutely no reason to complain. You asked for this disaster.

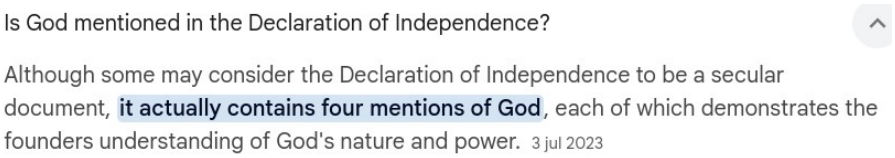
Why do you have to give away 33% of your salary to other people, mostly rich people (the top layer of the YaH-Theater), foreigners and the ‘poor’ in other countries? Because those lazy actors and slaves, who refuse to take care of their own lives have a right to food, water, clothes and a house. Rights are the most expensive illusion ever invented. Not only do you pay a government your whole life so you can ‘enjoy’ your rights, you also pay for the rights of everybody else. It is a communist PsyOp: Hard working people are responsible to keep the useless eaters of this world alive. Thanks Jesus!

There is another funny thing here. Humans have something stuck to them, given by ‘nature’, however governments too have something stuck to them. Remember the moral basis of government? This is the real basis: Their sticker.



Ok, now I am officially completely confused. Did ‘nature’ give governments the rights to terrorize, use violence and steal, which are now stuck to them? Or was it YaHWeH, the champion of slavery and hatred? Moral basis……

Are we really talking Nature or are we talking YaHWeH?

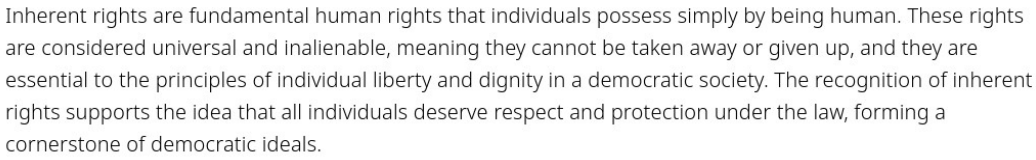


So, when they say nature they mean YaHWeH's nature meaning: hatred, revenge, jealousy, slavery, punishment, etc. Now it all makes sense.

Here is the real slavery in the whole scam:

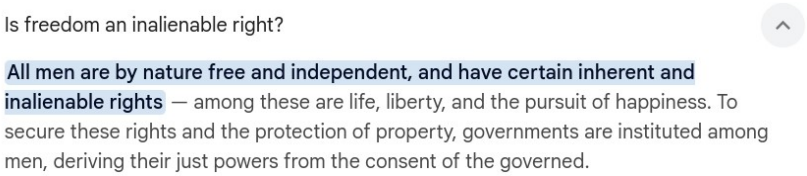
Merriam- Webster:

US government:



You cannot even give them up. You are stuck with these Kabbalistic ramblings, which make a government necessary. You are trapped forever in slavery.

But that is no problem because you were born with the 'Right to Liberty', so who needs freedom? Hahahahahahahaha, 'They' gotcha!



Nobody consented to this, they just murdered everybody who refused to be a slave and the rest was so terrified they just hid and kept silent.

Let us get into the summary of what these inherent rights are.

They are a bunch of claims/privileges/allowances on a theoretical sticker, which is firmly attached to you by a hypothetical "state of nature". They are 'natural' but nowhere to be found in Nature, and as these Kabbalists are the same of the fairy tale of evolution, somewhere in the transition from monkey to human that sticker was put on humans. Maybe it is a graduation sticker? However, as they are only claims, they need protection from a government and if you want to enjoy all the good stuff, you need a government to ensure that you can do that. You cannot remove this unremovable sticker but magically the government can when they see fit.

In other words you are born free and independent. However, this state lasts about a minute, from then on you can only live, be free and be happy when you have a government, which also has an

unremovable sticker attached to it, which gives them the right to enslave you, terrorize you, steal from you and use violence against you.

Makes perfect sense! Sounds all very natural to me, so must be true, the government says so, we cannot survive and live in freedom without a government. ‘Nature’ aka YaHWeH has spoken.

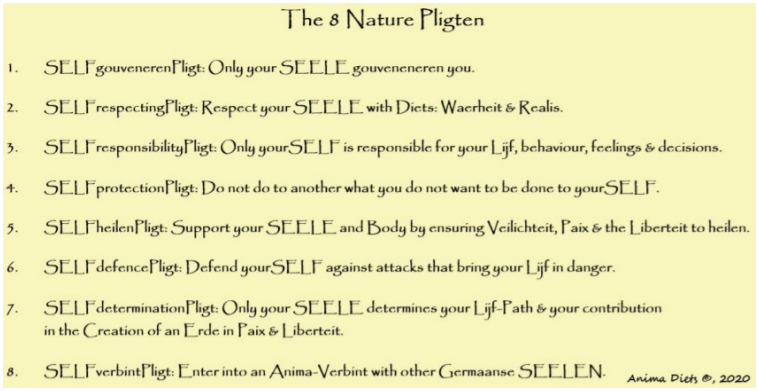
Funny, how the jews/Kabbalists first spend hundreds of years torturing and murdering hundreds of millions of people in Europe and then they suddenly realised they had a bunch of stickers attached to them, which needed protection from these jews/Kabbalists to prevent the jews/Kabbalists from torturing and murdering them. Then in 1948, after the state of Israel was established and the jews ruled the world, they realised people in the whole world had a sticker attached to them, not just white people. They are laughing at you, when you buy into this scam.

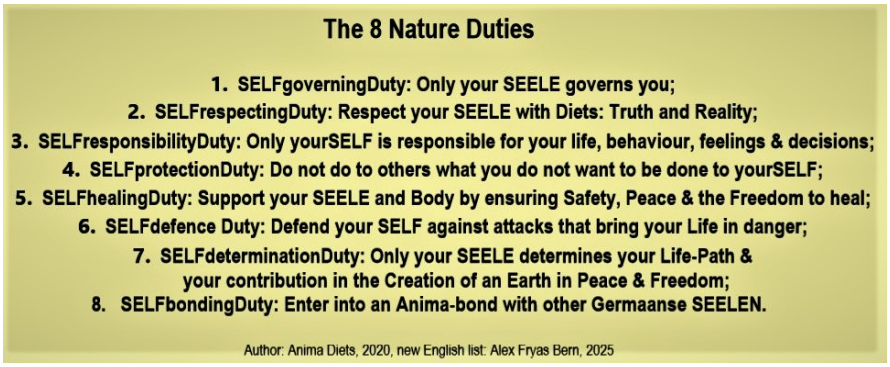
Then there is this very weird thing going on with these stickers. Apparently, jewish baby boys do not have a sticker that gives them the right to be free from torture and cruel treatment. How come this hypothetical “state of nature” forgets to put that sticker on these poor babies? And what about the government forcing people to stick needles in babies? They magically remove these unremovable stickers to be able to do that? I don’t know, there is something wrong with these stickers.

Let us be perfectly clear here: You do NOT have stickers on you, given by ‘nature’, that make a government necessary. It is ludicrous.

I think by now we can agree that ‘right’ means ‘permission from the government’. It is the only interpretation of the word ‘right’ that makes sense, considering all the above.

We humans are part of Nature, and therefore we have the same Laws programmed into us as the rest of Nature has. No special treatment. We all have Duties:





No permission needed from anybody to eat, drink, talk, heal or whatever else ‘they’ allow you to do. You are 100% in control of your own Life.

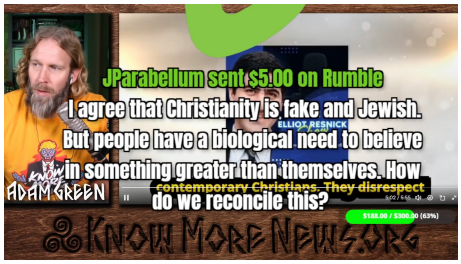
They are laid down in your Mood (Mod) and the proof of their existence is you yourself, because you can feel yourself that this is what you want. Well I guess if you love being a slave you do not feel it,

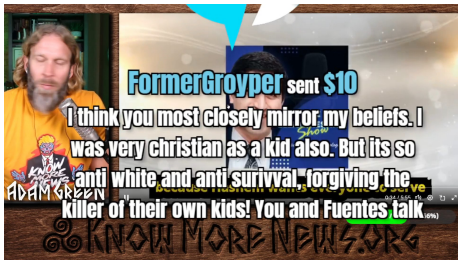
but if you are just a bit freedom-loving then you feel this is Right. Then you want to be in control of your own Life.

Just ask anybody who lives in a forest, away from the madness and ask which rights they have. They will look at you in complete confusion and go on working to ensure their own survival.

Why are the 8 Duties Laws of Nature? Well if you do not eat, drink, sleep etc. you will die. Because you do not have the 'right to live', but the Duty to keep yourself alive, failing to do so will end your life. You lie, you steal, you do something else not in accordance with your Duties: You will feel guilty, angry and you will suffer physical and psychological ailments and discomfort. Laws of Nature: cause → consequence.

You have a Mood (Mod) with programmes that tell you everything you need to KNOW. If you want to KNOW things you have to experience it yourself, listening to other people just adds to your beliefs. In the end you believe everything and KNOW absolutely nothing.





No, you have a biological need to live in Reality, not in a psychosis. Does believing in something bigger than you get you to finally take responsibility for your own life? Or does it make you a slave from that 'bigger than yourself'?
Uniting based on having the same psychosis is not going to solve any problem.
This is the internet: Believing everything what your 'hero' believes. It is just another religion = psychosis.

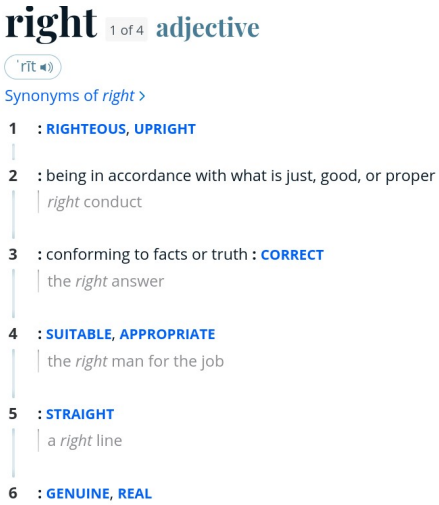
(I do not pick on (followers of) Adam Green, I just needed some pictures for this book and took them from one of his video's, it could have been anyone. KNM is actually the only channel I know that follows the news that relates to the script. That is very useful. It is unfortunate that he mixes it with his beliefs. My thanks to AG and his followers for the pictures they provided.)

You should not need me to tell you that rights do not exist in 'nature'(?), just a bit of logic and common sense will tell you that these right were invented to make a government needed, because somebody has to ensure that you can enjoy these rights and that they are enforced. You are born with Duties.

>> Rights = other people/government are/is responsible for you aka you are a slave.
>> Duties = you are responsible yourself, you govern yourself aka you are a free human being.

You cannot be born with laws forcing other people to behave in a certain way. You can only be born with laws that make YOU behave in a certain way. That should be obvious to anybody who has at least a little bit of common sense.

The old meaning of right:



right 1 of 4 adjective

ˈrīt

Synonyms of *right* ›

1 : **RIGHTEOUS, UPRIGHT**

2 : being in accordance with what is just, good, or proper
right conduct

3 : conforming to facts or truth : **CORRECT**
the *right* answer

4 : **SUITABLE, APPROPRIATE**
the *right* man for the job

5 : **STRAIGHT**
a *right* line

6 : **GENUINE, REAL**

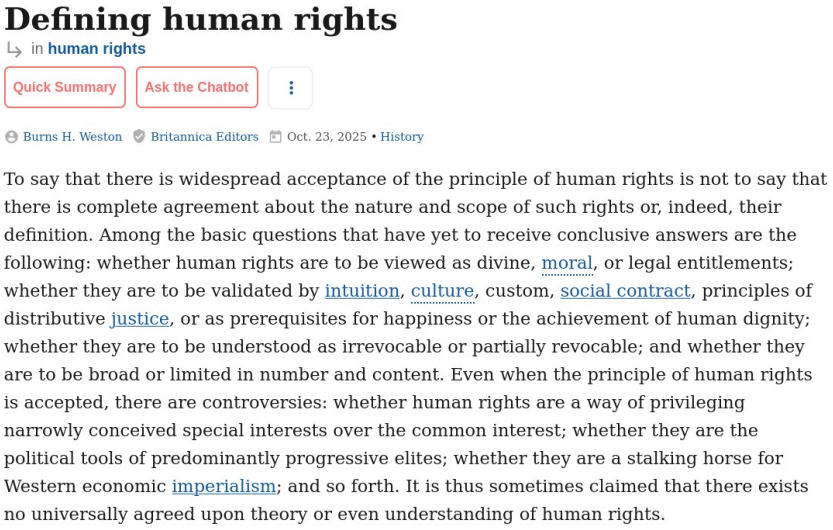
In the old meaning of rights, the right to housing was given by the people for the people and meant: you got a piece of land for free on which a house was built and you could live in it, for free, till you died.

The modern interpretation of rights is something entirely different: you receive this right to housing from ‘nature’, the government has to provide houses and you pay for this privilege till you die.

Everybody has been brainwashed that the latter interpretation of rights is way more superior than the first one. Who wants man-made rights in which you can live in freedom and life is free of charge, when you can have laws given to you by ‘nature’ for which you have to be enslaved and pay for your entire life?

And now it gets really interesting.

These rights, which are glued to you forever and can never be removed by you, are going to be removed. They have served their purpose and now they are standing in the way of full blown tyranny:



Defining human rights

in human rights

Quick Summary | Ask the Chatbot

Burns H. Weston | Britannica Editors | Oct. 23, 2025 • History

To say that there is widespread acceptance of the principle of human rights is not to say that there is complete agreement about the nature and scope of such rights or, indeed, their definition. Among the basic questions that have yet to receive conclusive answers are the following: whether human rights are to be viewed as divine, moral, or legal entitlements; whether they are to be validated by intuition, culture, custom, social contract, principles of distributive justice, or as prerequisites for happiness or the achievement of human dignity; whether they are to be understood as irrevocable or partially revocable; and whether they are to be broad or limited in number and content. Even when the principle of human rights is accepted, there are controversies: whether human rights are a way of privileging narrowly conceived special interests over the common interest; whether they are the political tools of predominantly progressive elites; whether they are a stalking horse for Western economic imperialism; and so forth. It is thus sometimes claimed that there exists no universally agreed upon theory or even understanding of human rights.

Yep, the principal of human rights is just a theory, a fantasy. It is time for the Noahide Laws and these imaginary stickers are now standing in the way. They will just rip them off.

If you still do not get the ludicrousy of rights you are supposedly born with, here it is:

We are born with a body that needs: air, food, water and sleep in order to survive.

Nature provides for all food we need to keep ourselves alive: fruits, nuts, vegetables, herbs, eggs, fish, animals you can eat, and plenty of fresh water.

Apparently we are so amazingly lucky because we actually got permission to eat food and drink water: we have a right to keep our body alive. Brilliant. Can you imagine what would happen if 'nature' forgot to give us the right to food and water? All that overwhelming amount of food and water in Nature and we would only be allowed to look at it.

How lucky are we that the government facilitates all that food and water. "What? Wait! The government?" Yes, that is what it says: the government facilitates food and water so you can enjoy the right to food and water. That is why you have to pay them, big time.

"But Nature provides for everything." True, but if 'nature' had not put a sticker on you and installed the governments, you would die from hunger and thirst. It is not like you can just walk into Nature and eat fruit and drink water, you need a sticker and a government to be able to do that.

Stop being a slave!

You need food: grow it. You need water: fetch it. You need air: breath. You need sleep: close your eyes and sleep. You need clothes: make them. You need a shelter: build a house. You have a Duty to keep yourself alive, healthy and safe. Take responsibility and stop begging other people to ensure your survival because: "I have a right to live." No you do not. You were born alive and now you have a Duty to keep yourself alive. If you refuse to do that, then just die. Your life, your body, your responsibility, no one elses.

2. The PsyOp of the 'Right to Freedom of Speech'

Now it is time for the inherent right to freedom of speech. According to the Americans this is 'proof' of their 'freedom'.

The founding fathers and the sticker of 'nature':

> On July 4, 1776, 56 signatories to the Declaration of Independence signed their death warrants to secure ***unalienable*** rights to life, liberty and the pursuit of happiness through, among other things, government by the consent of the governed.
> – Bruce Fein, *Baltimore Sun*, 31 July 2025

Wow, 56 Kabbalists gave up their lives so 'nature' could stick a removable unremovable sticker on the American people… Thanks guys! Enslaving the people so they could secure an unalienable right to freedom. And it worked because the Americans are very happy and 'free':

And I'm proud to be an American
Where at least I know I'm free
And I won't forget the men who died
Who gave that right to me
And I'd gladly stand up next to you
And defend Her still today
'Cause there ain't no doubt
I love this land
God Bless the U.S.A.

Oh boy… Psychosis anyone?

If it talks like a slave, thinks like a slave and sings like a slave you are most certainly dealing with a slave.

'They' secured the removable unremovable 'natural' right to freedom of speech through government.

People are not slaves because other people turn them into one, they are a slave because they love being a slave. Others just take advantage of the state of mind they have put themselves into.

Now the obvious question of course is: Why did these freemasons, while enslaving all Americans, give them the permission to say whatever they want to?

For the people out there not aware of this: The rest of the world only has the freedom to express their opinions = delusions, which is then even more restricted by all kinds of other laws.

UN HR declaration:

Article 19.

Everyone has the right to freedom of opinion and expression; this right includes freedom to hold opinions without interference and to seek, receive and impart information and ideas through any media and regardless of frontiers.

Only the American people are allowed to tell the truth and say whatever else they want to say. But why?

We have to go back into history a bit. In the rest of the world, especially Europe, freedom was taken away bit by bit, till in the 15th century all freedoms were taken away and everybody in Europe lived in absolute slavery aka had a government.

People who were not murdered and had the opportunity went to the America's, where they set up settlements with their own people. When the founding fathers showed up, those people knew what was coming: absolute slavery. Most of them were murdered, to the remainders the founding fathers had to give the illusion of freedom. That is why in the American constitution there are more liberties given than in the rest of the world. A complete turn around from absolute freedom to absolute slavery would have gotten them killed already before they could put one sentence on a document.

Unlike in Europe where countries are made up of tribes from the same area, the America's was a mixture of people/tribes from all over Europe with their own language and customs. Because of the liberties given, like carrying a gun, the last thing these founding fathers wanted was these people to unite.

'They' had spent hundreds of years brainwashing the Germanen in Europe that they are all different and not brothers and sisters = Germanen at all. They did not want all that work go to waste and reversed in the US. How can you keep them from uniting and turn against the government? You give them the freedom to say whatever they want. Spread some propaganda about evil doings of the Italians, or Irish, or French, or Germans and people will be in constant quarrel and division.

In later centuries they added more division: north-south, religions, races, sexes, political parties, and all kinds of political/societal issues. Division is needed because unity will be the death of the government. The freedom of speech has made the USA the most divided nation in the whole world because it has prevented to give these people a common ground. There is nothing that unites these people because they do not even have a common history or roots. There is nothing and that was the plan from the beginning.

I have already explained in my book 'The History of the YaH-Theater and How to make the YaH-Theater History' that if you want to get people from a schizophrenic state into a psychotic state, in which they will never give up their fantasy-world, tell them that they are special. Oh, and how deeply and thoroughly have the American people been brainwashed in being special. From the start of their slavery in 1776 up to this day, they have been told that they are the leader of the free world, they alone live in freedom, they are the most technologically advanced, the smartest, the best, the saviours of the world, etc. etc.

Poor people, they have been told they are special.

Have a look on the internet and you will find that the most brainwashed, schizophrenic and psychotic people live in the USA. They have the freedom of speech and use it to create more division and conflicts, most of them even unaware of what they are doing as they live in their own narcissistic, schizophrenic bubble. Meanwhile they are spreading this plague, through the internet, all over the world, creating division and conflicts in the once united countries.

In the past, in this country, we all agreed that people who call themselves patriots are insane. Nowadays there are many people in this country who call themselves patriots. What does the word 'patriot' mean? A proud slave of the government. How did they end up in this depraved state of mind? Which people are spreading this propaganda all over the world? The brainwashed, schizophrenic, proud slaves of the US government who are convinced that slavery = freedom.

In this country the majority of people left the collective psychosis called christianity behind them a long time ago. When I was young most people agreed that christians were crazy and backwards. But christianity has made a come-back. More and more people are being brainwashed back into this lunacy. Where does this come from? The American people: The most religious = psychotic people in the western world.

It is the people who believe that, because they are allowed to tell the truth, that everything they say IS the truth. Maybe it is time for a bit of humility. Maybe it is time to realise that nobody is special, that being given privileges by your government others did not receive does not make you better, but should make you pause and think: Why is that? What do they want from me, from us? The fact alone

that Americans have more rights than other people should make you realise that we were not born with these rights. Otherwise everybody would have the same, we do not.

The Americans claim that they are protected from the government because they have guns, but in reality what are these guns used for? The people are not in unison turning against the government, no the government has made sure that these guns are (going to be) used in the conflicts between the people themselves. So, how does that make the USA saver than Europe, where guns are not allowed? The Americans love their government, they love their slavery, but they hate each other. That hatred has been fuelled by the freedom of speech and has spread through the internet.

Just some American (?) on the internet who believes he thinks for himself:

When I say think for yourself I do not mean fantasize. But this is what people on the internet claim is ‘thinking for yourself’’: Dream up your own psychosis and brainwash others with your fairy tales. This is terrifying. Thank you freedom of speech, mission accomplished!

The only reason people got permission to say whatever they want is to create narcissists and psychopaths, division and conflicts.

In your Mood (Mod/”DNA”) runs a programme that forces you to tell the Truth and be Respectful towards other people. You do NOT have the right to say whatever you want.

This brainwash of the ‘Right to Freedom of Speech’ was invented to override your conscience and the programme to be Respectful towards yourself and towards others.

Who are the people crying most about having the ‘Right to Freedom of Speech’? The people who want to be allowed to lie and/or be disrespectful. It is them who tell you: “To hell with my conscience, to hell with being respectful, I have the right to say whatever I want.” At the same time these are also the people who are complaining about other people lying and being disrespectful. Of course the ‘Right to Freedom of Speech’ only counts for them, all others have to tell the truth and be respectful.

If you believe that having permission to lie and be disrespectful leads to peace and freedom you have been successfully brainwashed in thinking war = peace, slavery = freedom and lies = truths.

Peace and Freedom can only come when people start listening to and acting in accordance with what is written in their Mood (Mod): the Duty to live in Reality, tell the Truth and be Respectful towards yourself and others. If you demand freedom of speech you are asking yourself to be deceived, lied at and be verbally abused, you ask yourself to live in this hellhole world that has been created. You have no ground to stand on and no reason to complain about all the lies, deception and disrespectful behaviour of others. Because that is the world you ask for yourself.

The freedom of speech means ignoring the mechanism we have build into us that ensures a life in Peace and Freedom. Ignoring that mechanism creates narcissists and psychopaths. No Mood (Mod) means no conscience and complete disregard for other people. If you want a better world then start with yourself: Stop demanding/begging for permission to be an obnoxious, disrespectful liar and start being a Truthful, Caring and Respectful human being. Stop the double standards and treat others the way you want to be treated yourself.

You cannot complain about being brainwashed while spending your life on internet brainwashing others with your fantasies, you cannot complain about others lying while you spend your days on internet promoting your lies, you cannot complain about other people being disrespectful while spending your days on the internet verbally abusing everybody who disagrees with your fantasies. All of this narcissistic and psychopathic behaviour with the excuse that you have the permission to say whatever you want.

Nobody who speaks the Truth and is Respectful will ever beg for permission because you do not need permission, it is every ones Duty. The only people begging for permission to say whatever they want are the people who need an excuse for themselves to silence their conscience so they can lie, brainwash others, and be as disrespectful as they want to be. Every day, the whole day they tell their conscience: “Shut up, I have a right to say whatever I want”.

Then there are the politically correct, tolerant people claiming: ”In my opinion (= delusion) everybody should be allowed to say whatever they want to say”. Sure they do, a blank check for everybody to ignore his/her conscience and say whatever they want. How is this different from: ”Do whatever you want”?

While crying about being censored by ‘them’, it is people themselves who are the ones censoring Truth, censoring their Seele and shutting down their Mod/conscience. If you have a conscience you KNOW that you do not have the ‘Right to Freedom of Speech’, you KNOW you are not supposed to lie, deceive or be disrespectful, so who are these people talking about having a conscience but demanding the ‘Right to Freedom of Speech’? Do they KNOW what a conscience is, or is it the same “conscience” as politicians, christians and other liars and deceivers have?

This supposed “conscience” means some kind of black board on which your sins are written and then you ask YaHWeH or Jesus for forgiveness and they will magically erase these sins and your “conscience” is clear again. There is no such thing as ‘having a clear conscience’. Your conscience is a guide, not a black board. Your conscience prevents you from even thinking about doing wrong things. It forces you to be a good human being.

Therefore only people who do not listen to, or do not have, a conscience are capable of lying, stealing, murdering, raping, etc. Mathilde Ludendorff warned already about this “clear conscience” hoax: It is dangerous and it is very biblical. You will hear this “clear conscience” nonsense mostly from religious people. When they say they have a “clear conscience” they actually mean: “I have cleared myself from a conscience, and that is why I do not feel guilt anymore over all the horrible things I did”.

While complaining hardest, the biggest censors of free speech are of course the christians themselves. In order to prevent people from getting out of this Psychosis there is a build-in protection that makes their cries for free speech a joke. According to christians everybody who denies YaHWeH, the bible and/or Jesus is ‘satanic’ and evil. They all have to be silenced, ridiculed and ‘demonized’.

I want to remind you that you can only deny a fantasy. If you deny Reality you are schizophrenic. In this psychotic YaH-Theater we are in, denying Reality is what you ought to do, denying fairy tales is what is being mocked, ridiculed and criminalized.

Some christian guy and his schizophrenic christian friends had a funny discussion on the internet about which fairy tales are real. This guy said something remarkable, an additional failsafe to keep christians into this Psychosis. The guy said: “Anybody who claims to know what is going on in the world is evil, because only YaHWeH can know what is going on”.

Wow, is that not interesting? Do not try to figure out what is going on because then you are evil. More fear-porn to keep the christians in the Psychosis. This means that all christians who claim to look for the Truth of what is going on in the world are lying, because knowing the Truth of what is going on in the world means that you are evil, only YaHWeH is allowed to know. A bit weird because we have to live in this world, YaHWeH is just floating around on a cloud. You might wonder, just as I do, why are

christians discussing events going on in the world? Does that not mean that they are evil too? Yeah, I know schizophrenia is confusing.

While everybody blames the jews or ‘globalists’ for censoring the internet, it is people themselves of course who censor everybody who do not believe in their fairy tales, as some christian tells everybody to do, because people who say that the bible is a jewish book of fairy tales are of course evil, and so censoring them is what you are supposed to do.

Judges 9:9 But the olive tree replied, 'Should I stop giving my oil that honors both God and ...
... branches can wave above the other trees." The olive tree answered, In order to govern you, I would have to stop producing my oil, which is used to honor gods ...

If you want to know if someone is evil just ask: “Can olive trees talk?” If they say no, well you are dealing with real evil. Stop listening to them.

Are we surprised about those statements? Of course not, as I have explained before: In the bible it is clearly written that listening to your conscience is ‘satanic’, you have to follow the orders of YaHWeH, that is called ‘having morals’. These christians do not listen to their conscience, it is evil. They are not allowed to tell the Truth and live in Reality. That is why it is so much fun listening to christians having a debate about what is real and what is fake.

But it is not just the christians. While everybody is complaining about ‘gatekeepers’ on the internet, they themselves of course are also gatekeepers. They all have to protect, at all cost, their own fairy tales. So, everybody who even tries to get the Truth posted in their comment section will be censored. If you disagree with what they say you are labelled a troll. Even if the comment is let through it will be attacked by the content creator and/or his faithful followers. Rule nr. 1 on the internet: Never let anybody disprove the fairy tale you believe in.

As I have already explained the biggest obstacle to solve our problems is arrogance. I have sent emails with my work to people who claim they want to know the solution to our problems. They will not even read it. The arrogance of people on the internet is a steel enforced wall and makes all of them gatekeepers. Nobody is allowed to escape this YaH-Theater and the arrogant, ignorant useful idiots on the internet are doing the work for ‘them’, while praising themselves for being so ‘informed and knowing’.

And that is why it does not matter if you remove the current actors from the scene and replace them with ordinary people. They will behave exactly the same, because they are in the same mindset: Protect your lies and fantasies and make everybody else conform to your schizophrenic bubble. There is no difference anymore between the people called jews and the non-jews. They are indistinguishable from each other. Their ‘solution’ is the same as the jewish ‘solution’: “Everybody has to believe what I believe and as for the people who refuse to believe, we have to get rid off them.”

On the internet is a video going round from an ex(?)-KGB agent who claims that it is the objective of Russian propaganda to ‘demoralize’ people. (Funny how in the english language the meaning of that word has changed in the meaning of the Dutch word moraal: confidence or being in high spirits, and has abandoned the meaning of the english word: morals. De-moral-ization should mean: taking away morals. I think it is that demoralization that is meant by the KGB-agent.)

We know already that de-moral-ization started with the bible. In the fairy tale of Adam and Eve YaHWeH gets really angry when Eve listened to her conscience, as in ‘ate from the fruit of the tree of knowledge of good and evil’. According to the bible ‘having morals’ means following the orders of YaHWeH. If you do not do it then you go to hell. Fear-based behaviour control. Listening and acting upon your conscience, which knows what is good and what is evil, is ‘satanic’.

It is that last meaning of de-moral-ization which comes from ‘Russia’, that is christians, freemasons, jesuits and jews. The propaganda is all about following orders, be a slave and do not listen to your conscience. Anything and everything is permitted as long as it stays within the boundaries of the orders given by YaHWeH, written down in the bible.

Communism = christianity is not about you losing confidence, it is all about you losing morals. It is all about disconnecting you from your Seele and conscience. Losing confidence is actually a good thing, maybe then people would finally snap out of this Psychosis. That is obviously not want 'they' want. 'They' do not want the Americans to jump off their high horse, 'they' do not want Americans to realise that they are not special. 'They' do not want the Americans and Europeans to come closer to one another. 'They' need the division and 'they' need the Americans to spread their attitude over Europe and change the Europeans into Americans. Americans are the perfect Noahide slaves, Europeans not so much as the majority abandoned christianity.

Freedom of speech is all about de-moral-izing people. For most people the 'Right to Freedom of Speech' is a tool to ramble about the fairy tales and fantasies they believe in, while verbally abusing the people who do not believe their fantasies. Everybody who does not believe their fairy tales is evil and should be censored. Conflicts, division, narcissism, psychopathy is what is being created. Most obstacles we have in being able to unite find their source in the 'Right to Freedom of Speech'. The internet is just a worldwide insane asylum where the patients fight over which delusion is real. I suspect that in a psychiatric hospital the patients are more tolerant towards each others delusions than on the internet.

Then there is another question I have. Since the 'Right to Freedom of Speech' is inherent in the American people, supposedly, and is the highest authority, how come there are man-made laws that put people in prison for defaming (rich and powerful) people and for encouraging people to commit violence? Hmm, so either YaHWeH the infallible has made some serious mistake or the man-made laws are invalid. Which is it?

How is it possible that the laws of men have a higher authority then those of the big boss? "Well we need these laws Alex, otherwise people cannot live in a society in peace. We cannot have people saying whatever they want to." That is what I am trying to tell you: This rights-system was implemented to make people poor, lazy, dependent, divided, violent, psychotic, narcissistic and psychopathic. That alone proves you were not born with them, they are part of the psychotic YaH-Theater.

All in all we can conclude that the 'Right to Freedom of Speech', and all other rights of course, are one giant PsyOp to make sure you need a government and you stop listening to your conscience and the programmes in your Mood (Mod). It creates narcissists, you know the ones who in every conversation will tell you: "**I** have the right … (whichever right they have dreamed up for themselves) so **YOU** have to ……" and psychopaths, that is people without a conscience. It is a blank check to lie, to deceive, to brainwash and to fight and argue over fantasies, delusions and fairy tales while calling everybody else fake, retarded, stupid, evil, 'satanic', etc.

"Well Alex, I want other people on the internet to allow me to say whatever I want." Of course, now why do you not go around in your neighbourhood, school or workplace and say whatever you want. See how long you last without having a black eye or broken nose? No, I am not encouraging violence, I am just making a point.

People do not want to listen to people who want to say everything that comes up in their head. Nobody actually wants freedom of speech because it creates conflicts and division. People really need and want Truth and Respect. Not respect as in fear but Respect as in treating others the way you want to be treated. The lack of broken noses on the internet has created this environment of disrespect, psychopathy and rudeness. De-moral-ization: Everything goes because "I have the right to say whatever I want".

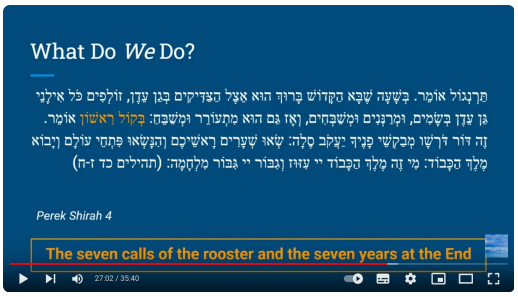
"But Alex, you don't understand. 'They' are censoring the 'truth'. 'They' are not allowed to do that because we have the 'Right to Freedom of Speech'." Well, I already discussed what the idea of 'truth' is on the internet, it is just the fantasies people believe in. However, yeah 'they' might censor the Truth = Reality because you are living in a Psychosis and Truth = Reality is the biggest enemy of a psychosis.

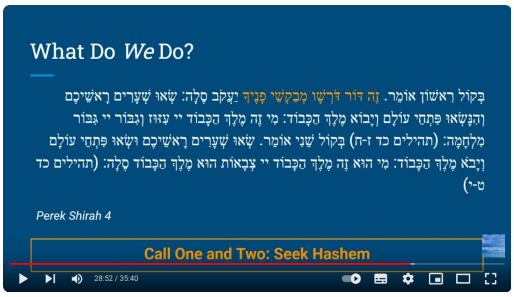
As long as you stay in this Psychosis, which you obviously do when you are crying about rights, you have to go along with the rules of a psychosis: No Truth = Reality allowed. Get out of the Psychosis and you can tell the Truth = Reality to everybody you meet. You have to choose between living in Reality or living in this Psychosis. You cannot have it both ways, it is impossible.

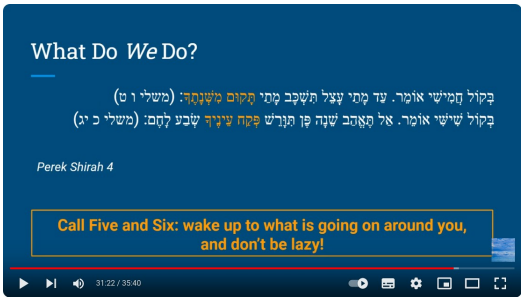
Imagine what the internet would look like if 'they' censored all the lies. A desert. There would be nothing left. So, why do all those supposed lovers of Truth, not call for that censorship? Oh, yeah sorry, they have the right to say whatever they want. If the media would start telling the Truth people would not even recognize it, they would still call them liars because they are not affirming their fairy tales. We are in that state now and it is scary.

"But Alex, because of the freedom of speech people are waking up. 'They' are getting really scared." Really? Who do you think came up with this plan of 'waking up'?

In the seven years before Moschiach comes the jews were activated to do:







It was all part of the YaH-Theater ……

What has all this 'waking up' achieved? More christianity and more schizophrenia. In stead of people returning to Reality, they have been sucked in to more YaHWeH-psychosis. Since 2020 and the supposed 'waking up' people have wasted their lives chasing after every conspiracy, event and supposed 'truth'. What have they achieved? Absolutely nothing.

Nobody explained the problem and nobody explained how to get out of this mess. The only thing this 'waking up' has done is dividing the people even more, making them even more schizophrenic than they already were, keeping them distracted and feed the fear, arrogance and superiority. People who call themselves 'awake' are even more insane than the people they call 'asleep'. The latter ones might not know anything other than government brainwash, but at least they actually had a life the past 5 years. They were not running around in circles on the internet trying to find the 'truth'.

‘They’ sent you on a deliberate wild goose-chase to prevent you from actually realising what the problem is and how to get out of this mess. ‘They’ are feeding social media with all kinds of hoaxes and PsyOps to keep people busy. According to the OLB this is the time (since 200 years ago) people would get more inclined to find the Truth. ‘They’ needed to catch all these people and keep them into the YaH-Theater. The first 100 years was about murdering and imprisoning all people who escaped the Psychosis. After WWII we got the TV and then the internet: The world-wide-spider-web. The Americans with their freedom of speech did the work for them on the internet. The American people were being used to brainwash the world and keep everybody in the YaH-Theater.

Ezechiel 38:

> 10 "'This is what the Sovereign LORD says: On that day thoughts will come into your
> mind and you will devise an evil scheme. 11 You will say, "I will invade a land of
> unwalled villages; I will attack a peaceful and unsuspecting people—all of them living
> without walls and without gates and bars. 12 I will plunder and loot and turn my hand

This whole ‘waking-up’ movement, or also called ‘truth’-movement, is a giant PsyOp and if people were not so far off into LaLa-Land they would know it. The only thing the ‘awake’ have in common is that they realise something is wrong in the world. Well people who are ‘asleep’ will agree. The ‘awake’ crowd has absolutely no common ground. These ‘awake’ people have “woken up” to:

1. The bible is true, while arguing over which fairy tale is correct;
2. The jews are the problem, while arguing over which fairy tale is correct;
3. Aliens are real, while arguing over which fairy tale is correct;
4. Putin is going to safe the world, while arguing over which fairy tale is correct;
5. Hitler/National Socialism is going to safe the world, while arguing over which fairy tale is correct;
6. ‘They’ try to kill us with bioweapons, while arguing over which fairy tale is correct;
7. We live in a simulation, while arguing over which fairy tale is correct;
8. ‘They’ manipulate our genes, while arguing over which fairy tale is correct;
9. Terrain theory is real, while arguing over which fairy tale is correct;
10. Trump is going to safe the world, while arguing over which fairy tale is correct;
11. We are in a spiritual war, while arguing over which fairy tale is correct;
12. Etc, etc.

These people have not woken up to the Truth, no they have just replaced the old lies with new lies, and government fear-porn with their own version of fear-porn, and call that ‘waking up’. There is no agreement on anything, there are millions of people on the internet all living in their own fantasy-world, arguing with each other. That was the objective of the whole PsyOp: division, division, division.

Even if people agree on a certain fantasy-concept (see the 11 examples above), they disagree on the contents of the subject. There is no waking up, there is just more schizophrenia. Even if some of the stuff they say is true, nobody is going to listen to them because of all the ridiculous nonsense they believe in and gets mixed up with the few things which are actually true.

There are however two things they all agree on and should never be changed: 1. everybody should be allowed to say whatever they want and 2. everybody has the right to be religious. I wonder why….. Everything is bad except the cause of the problems we have, those should stay and never be taken away. But other than that: Yeah, I am sure ‘they’ are very afraid that you ‘awake’ people are going to disrupt ‘their’ plans. Hahahaha. Keep dreaming.

The people called ‘asleep’ have not improved the situation, however, the people who call themselves ‘awake’ have made the situation way, way, way more worse. Yes, they are making a difference, just not the one we need. They have made the division so big between the ‘asleep’ and ‘awake’ that if you try to explain something to the people who are ‘asleep’, those will immediately stop you and accuse you of believing in aliens, 5th dimension, spiritual crap, Putin-loving, Hitler-loving, Trump-loving, simulation nonsense, etc. It has become impossible to get these people back into Reality because of all the insanity that is being spread around by these ‘awake’ people.

They have made sure that the door to the way out of this mess is locked, bolted and firmly hammered shut. It is not the people who are ‘asleep’ who prevent this YaH-Theater from disintegrating, no it is the people who call themselves ‘awake’. It is those people who have corrupted the word Truth so badly, nobody is going to listen to anybody speaking theTruth anymore. The few million schizophrenics on the internet have taking care that the billions of other people out there will never, ever listen to an explanation of what is going on in the world and how to get out of this mess. I am sure the writers of this script will be very happy with all of their work.

While the ‘awake’ are complaining about aliens, shapeshifting reptilians, globalists, jews, government, freemasons, fallen angels, demons, ghosts, and what not, wanting to steal your soul or energy, like true leeches they will suck every bit of common sense you have left out of you. When you meet someone and he/she claims to be ‘awake’, I have only one advice for you: Run, because they will literally try to brainwash you into insanity.

“But Alex, we are winning we are exposing the jews.” I am not sure who you call ‘we’ but it is not the Germanen, that’s for sure. If winning means that you are better than the government in manipulating people to give up their money to be brainwashed, sure you are winning. If winning means turning Fryas into Findas, sure you are winning. ‘YaHWeH made man into his own image’. This means people have to turn into hateful, revengeful, jalous, angry, psychotic, psychopathic, narcissistic, arrogant, bragging and violent people. On that front you are winning.

‘In the end of days, the whole world will turn against the jews’, according to the script. Oh yeah, you are winning on that front too. And yes, you are winning with being the best useful idiots the ‘jews’ have ever had. You have made sure that their script is going exactly as planned. You are not exposing anything, on the contrary you have been manipulated to keep everybody in the YaH-Theater, all made possible because of your craving for fame and fortune. Who do you think is posting all that anti-semitism on the internet? We are talking about websites all run by jews, and you think it is the users who determine what is on there? ‘They’ need anti-semitism for their script to become reality, so ‘they’ create anti-semitism.

You have turned into your worst enemy and now you are proud you are better than them at it. The only thing you have exposed is yourself: That you are easy to be manipulated, have no understanding of what the problem is and you have no interest in actually solving any problem. Congratulations. ‘They’ have made sure that you blame other people for your problem, that you created. Just wondering how you are going to explain this to your children and grand-children when all that winning got you into absolute Torah-slavery.

And as to the ‘solution’ that more white children should be born, so we can win on numbers: What is the point of having more white people when they are all behaving like jews? The only difference between Fryas and Findas is that we have Wisdom and therefore better able to stay in Reality. Well, since white people refuse to listen to their Wisdom and live in Reality, there is no point in having white people. That was the plan from the beginning and you have made it happen. It is all about quality not quantity. Numbers are not going to save the white race, only our Wisdom can save our race.

If you still don’t get it: The people on the internet complaining about jews talk and behave more jewish than the jews living in my neighbourhood. How ironic is that. “But we are going to save the white race.” Sure, you can not even save your own identity, your own sanity and your own Wisdom. Complaining about jews while being in a competition of who is best at behaving jewish is insanity.

Sorry for the ranting, but it is very annoying to see all these people on the internet claiming they are going to save the world with what they are doing. Let me explain this by something everybody learns when doing a first aid course: “Do not do anything unless you know what the problem is, because you can make things worse and even kill the patient you are trying to save.”

So all these people, who probably mean well and are truly trying to change things for the better, because they do not know what the problem is, should stop doing what they are doing. They make matters worse and end up destroying the world.

Being on the internet changes people into arrogant narcissists. It happens, whether they want to or not. It prevents them from doing real research as they are only busy ‘proving’ that their fantasies are ‘real’.

There are people out there claiming to be Fryas and tell everybody that the Wisdom, which was going to be available now, means that some hero will stand up and save the world. It is ridiculous. The Wisdom is here, we have the OLB which clearly states what the cause of our problems is and what the solution is. We have the German writers from the last century explaining what happened in the YaH-Theater. We have the book of Anima Diets explaining the Seele Wisdom and how we all have been brainwashed. We have all the Wisdom we need. There is no hero coming.

The problem we now have is the refusal of all those well meaning people on the internet to read that Wisdom properly and do what is written. All this arrogance of people, claiming they have it all figured out, we just need to explain to people that the media lies, or that the government lies, or that the jews lie, etc, is going nowhere. In stead of taking that knowledge as a starting point to reconstruct the bigger picture, the only thing they are doing is discussing details: this hoax event, this document, he said, she said, etc. It is all irrelevant and a waste of time.

All of them claim to know what the problem is, but why then are they all running around like a chicken without a head (Dutch expression) creating more chaos? I suspect that ‘they’ flood the internet with fake events and fake discussions just to keep people glued to the internet. There is a constant stream of rabbits and geese dumped on social media to keep people in the YaH-Theater. It is entertainment to keep everybody from listening to their Self and their conscience.

If people want a hero, then they should become a hero of their own life: Gather all the courage you can find and change yourself for the better: Stop believing and start living in Reality. If we want to save the world we all have to become our own hero. Read the Wisdom, Use the Wisdom and Teach the Wisdom. This arrogance of people who are convinced that they alone can save the world, is going to kill us all. Meaning well has never changed anything for the better, it is all about the right action in response to a correctly identified problem.

So no, all you supposed Fryas out there, Wr’Alda is not like YaHWeH, sending a Messiah to save the world. The rules are very clear: You make wise decisions as a consequence good things happen. You make dumb decisions as a consequence bad things happen. You choose what result you want and what that means for which decision to take. Waiting for someone else to solve your problems is slavery and will end in you being in slavery. Taking responsibility for and solve your own problems will end in you being the ruler of your own life and be truly Free. The message is simple.

That is why the jews are the biggest slaves on earth. They believe in YaHWeH, follow the orders in the bible blindly and wait for a Moschiach to save them. They might think they are the rulers of the earth and turned us into their slaves, but as written in the OLB: If you own slaves you become a slave yourself. You might think being the owner of slaves put you in charge, in Reality you have put your own survival in the hands of other people. That means you are a slave. Anybody who is not in full control of his/her own body, mind, Seele and life is a slave. Religion is slavery because people give their own survival, life and mind over to something that does not exist. They destroy their Seele and will never be able to be Free.

Believing that one person can just come and save everybody from his/her insanity is in itself insanity.

The funniest part of this cartoon is that it is made by a christian, I expect he does not understand the irony….

“But Alex, they want to make the anti-semitism definition of the IHRA a law. We are not allowed to say anything about jewish power and lies anymore. How then can we expose the YaH-Theater?” Yes, that brilliant document in which everything is being revealed.

It has one very important sentence that tells you that the bible is a myth, it is a book of fairy tales, and that in Reality the jews have nothing to say. Yes, only in the Psychosis, the execution of the script of the YaH-Theater, the bible, they rule the world.

> Making mendacious, dehumanizing, demonizing, or stereotypical allegations about Jews as such or the power of Jews as collective – such as, especially but not exclusively, the myth about a world Jewish conspiracy or of Jews controlling the media, economy, government or other societal institutions.

“The myth of jews controlling the media, economy, government or other societal institutions.” I agree with them that it is not a conspiracy, the bible is to be read for free on the internet, nothing is hidden. In the Quran is written that there is a YaHWeH conspiracy. All the muslims know.

According to the jews, the bible is the word of YaHWeH and they have to follow all commandments in that book. Because if they do not then this is what is going to happen:

Leviticus 26: Fear-based behavioural control: When the jews are bad slaves

14 But if ye will not hearken unto me, and will not do all these commandments;

15 And if ye shall despise my statutes, or if your soul abhor my judgments, so that ye will not do all my commandments, but that ye break my covenant:

16 I also will do this unto you; I will even appoint over you terror, consumption, and the burning ague, that shall consume the eyes, and cause sorrow of heart: and ye shall sow your seed in vain, for your enemies shall eat it.

17 And I will set my face against you, and ye shall be slain before your enemies: they that hate you shall reign over you; and ye shall flee when none pursueth you.

18 And if ye will not yet for all this hearken unto me, then I will punish you seven times more for your sins.

19 And I will break the pride of your power; and I will make your heaven as iron, and your earth as brass:

20 And your strength shall be spent in vain: for your land shall not yield her increase, neither shall the trees of the land yield their fruits.

21 And if ye walk contrary unto me, and will not hearken unto me; I will bring seven times more plagues upon you according to your sins.

Deuteronomy 30: When the jews are good slaves

30 When all these blessings and curses I have set before you come on you and you take them to heart wherever the LORD your God disperses you among the nations, **2** and when you and your children return to the LORD your God and obey him with all your heart and with all your soul according to everything I command you today, **3** then the LORD your God will restore your fortunes[a] and have compassion on you and gather you again from all the nations where he scattered you. **4** Even if you have been banished to the most distant land under the heavens, from there the LORD your God will gather you and bring you back. **5** He will bring you to the land that belonged to your ancestors, and you will take possession of it. He will make you more prosperous and numerous than your ancestors. **6** The LORD your God will circumcise your hearts and the hearts of your descendants, so that you may love him with all your heart and with all your soul, and live. **7** The LORD your God will put all these curses on your enemies who hate and persecute you. **8** You will again obey the LORD and follow all his commands I am giving you today. **9** Then the LORD your God will make you most prosperous in all the work of your hands and in the fruit of your womb, the young of your livestock and the crops of your land. The LORD will again delight in you and make you prosperous, just as he delighted in your ancestors, **10** if you obey the LORD your God and keep his commands and decrees that are written in this Book of the Law and turn to the LORD your God with all your heart and with all your soul.

If controlling governments, etc. is a myth, it means the following statements in the bible are myths aka fairy tales:

Jacobs's Blessing, the foundation of the YaH-Theater Genesis 27:

29. Nations shall serve thee, and people shall fall at thy feet. Be a lord over thy brethren, and thy mother's children must fall under thy feet. Cursed be he that curseth thee; blessed be he that blesseth thee.

Isaiah 60: Refusing to serve the jews: WWI and WWII

10 And the sons of strangers shall build up thy walls, and their kings shall minister unto thee: for in my wrath I smote thee, but in my favour have I had mercy on thee.

11 Therefore thy gates shall be open continually; they shall not be shut day nor night; that men may bring unto thee the forces of the Gentiles, and that their kings may be brought.

12 For the nation and kingdom that will not serve thee shall perish; yea, those nations shall be utterly wasted.

Isaiah 49: The YaH-Theater

22 Thus saith the Lord GOD, Behold, I will lift up mine hand to the Gentiles, and set up my standard to the people: and they shall bring thy sons in their arms, and thy daughters shall be carried upon their shoulders.

23 And kings shall be thy nursing fathers, and their queens thy nursing mothers: they shall bow down to thee with their face toward the earth, and lick up the dust of thy feet; and thou shalt know that I am the LORD: for they shall not be ashamed that wait for me.

24 Shall the prey be taken from the mighty, or the lawful captive delivered?

25 But thus saith the LORD, Even the captives of the mighty shall be taken away, and the prey of the terrible shall be delivered: for I will contend with him that contendeth with thee, and I will save thy children.

26 And I will feed them that oppress thee with their own flesh; and they shall be drunken with their own blood, as with sweet wine: and all flesh shall know that I the LORD am thy Saviour and thy Redeemer, the mighty One of Jacob.

8 When the Most High divided to the nations their inheritance, when he separated the sons of Adam, he set the bounds of the people according to the number of the children of Israel.

these personal immoral acts]? But the secret of the matter is in the verse which states, *When the Most High gave to the nations their inheritance, when He separated the children of men, He set the borders of the people*, etc. *For the portion of the Eternal is His people* etc.[380] The meaning thereof is as follows: *The Glorious Name*[381] created everything and He placed the power of the lower creatures in the higher beings, giving over each and every nation *in their lands, after their nations*[382] some known star or constellation, as is known by means of astrological speculation. It is with reference to this that it is said, *which the Eternal thy G-d hath allotted unto all the people*,[383] for He allotted to all

Deuteronomy 15: Ruling and Lending. We have to borrow money from the jews that they have conjured out of nothing. All national debts are this non-existing money plus interest.

6 For the LORD thy God blesseth thee, as he promised thee: and thou shalt lend unto many nations, but thou shalt not borrow; and thou shalt reign over many nations, but they shall not reign over thee.

Psalm 112: Conjure as much money as possible out of nothing and lend it freely.

1 Praise the LORD.[b]

Blessed are those who fear the LORD,
who find great delight in his commands.

2 Their children will be mighty in the land;
the generation of the upright will be blessed.
3 Wealth and riches are in their houses,
and their righteousness endures forever.
4 Even in darkness light dawns for the upright,
for those who are gracious and compassionate and righteous.
5 Good will come to those who are generous and lend freely,
who conduct their affairs with justice.

Psalm 37: The unpayable national debt of all countries in the world: wicked people

21 The wicked borroweth, and payeth not again: but the righteous sheweth mercy, and giveth.

22 For such as be blessed of him shall inherit the earth; and they that be cursed of him shall be cut off.

Proverbs 22: The borrowers (that is us) are slaves to the lenders (that is the jews with their magical money, the rich who rule the world)

7 The rich rule over the poor,
and the borrower is slave to the lender.

Deuteronomy 23: Usury

Isaiah 45: Riches from YaHWeH: mines with gold, silver, cobalt, etc. all in the hands of jews

riches stored in secret places,

25 And thou, Ezra, after the wisdom of thy God, that is in thine hand, set magistrates and judges, which may judge all the people that are beyond the river, all such as know the laws of thy God; and teach ye them that know them not.

26 And whosoever will not do the law of thy God, and the law of the king, let judgment be executed speedily upon him, whether it be unto death, or to banishment, or to confiscation of goods, or to imprisonment.

Isaiah 61: Jews shall be priests = ministers. Our ancestors called all priests Tjoda = jewish

20 Curse not the king, no not in thy thought; and curse not the rich in thy bedchamber: for a bird of the air shall carry the voice, and that which hath wings shall tell the matter.

Isaiah 54: Anti-semitism laws. Yes, you see that correctly: They are a myth.

17 No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the LORD, and their righteousness is of me, saith the LORD.

Deuteronomy 17: Kings/Presidents

14 When thou art come unto the land which the LORD thy God giveth thee, and shalt possess it, and shalt dwell therein, and shalt say, I will set a king over me, like as all the nations that are about me;

15 Thou shalt in any wise set him king over thee, whom the LORD thy God shall choose: one from among thy brethren shalt thou set king over thee: thou mayest not set a stranger over thee, which is not thy brother.

Deuteronomy 17: Constitution, “We the people” means ‘We the Jews’

19 And it shall be with him, and he shall read therein all the days of his life: that he may learn to fear the LORD his God, to keep all the words of this law and these statutes, to do them:

20 That his heart be not lifted up above his brethren, and that he turn not aside from the commandment, to the right hand, or to the left: to the end that he may prolong his days in his kingdom, he, and his children, in the midst of Israel.

Isaiah 2: United Nations (The foundation, the idea of Human Rights, we already discussed)

2 The word that Isaiah the son of Amoz saw concerning Judah and Jerusalem.

2 And it shall come to pass in the last days, that the mountain of the LORD's house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it.

3 And many people shall go and say, Come ye, and let us go up to the mountain of the LORD, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: for out of Zion shall go forth the law, and the word of the LORD from Jerusalem.

4 And he shall judge among the nations, and shall rebuke many people: and they shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up sword against nation, neither shall they learn war any more.

Numbers 32: The jews are always blameless

(In dutch law there is no mention at all of a ‘mens’ = human, only persons.)

Hebrews 7: You stand guarantee for the national-debt through the birth-certificate in a better testament, meaning the supposed social contract you have with the government in which they protect your stickers.

22 By so much was Jesus made a surety of a better testament.

Jesus was just a person/actor in a fairy tale, not a real human.

Romans 13: The government is installed by YaHWeH and you have to pay tax. Note the fake "conscience" we already discussed.

Submission to Authorities
(1 Peter 2:13–20)

1 Everyone must submit himself to the governing authorities, for there is no authority except that which is from God. The authorities that exist have been appointed by God. 2 Consequently, whoever resists authority is opposing what God has set in place, and those who do so will bring judgment on themselves.

3 For rulers are not a terror to good conduct, but to bad. Do you want to be unafraid of the one in authority? Then do what is right, and you will have his approval. 4 For he is God's servant for your good. But if you do wrong, be afraid, for he does not carry the sword in vain. He is God's servant, an agent of retribution to the wrongdoer.

5 Therefore it is necessary to submit to authority, not only to avoid punishment, but also as a matter of conscience. 6 This is also why you pay taxes. For the authorities are God's servants, who devote themselves to their work. 7 Pay everyone what you owe him: taxes to whom taxes are due, revenue to whom revenue is due, respect to whom respect is due, honor to whom honor is due.

In the Netherlands the government had to admit, in answer on a FOIA-request, that the 'legitimacy' of the government comes from Romans 13 (Romeinen XIII). The man who calls himself king rules by the 'grace of god' (gratie gods), only to be found in the bible (bijbel). They have no proof that YaHWeH exists or that he ever wrote a letter. Imagine that.

Hebrews 7: Take an oath (all civil servants, judges, etc.) and become a priest

19 For the law made nothing perfect, but the bringing in of a better hope did; by the which we draw nigh unto God.

20 And inasmuch as not without an oath he was made priest:

21 (For those priests were made without an oath; but this with an oath by him that said unto him, The Lord sware and will not repent, Thou art a priest for ever after the order of Melchisedec:)

Hebrews 7: Place mentally and physically weak rulers in government

28 For the law maketh men high priests which have infirmity; but the word of the oath, which was since the law, maketh the Son, who is consecrated for evermore.

infirmity
/ɪnˈfəːmɪti/
noun
physical or mental weakness.

In Europe and most of the world the governments exist of Ministers and a Prime-Minister. All priests of YaHWeH. The departments are called ministries. Other than that we have a separation of church and state …….. Sure.

Media: Being used to disseminate Torah knowledge worldwide.

(2) When technology (the radio, television and Internet, for example) is used to disseminate Torah knowledge worldwide, it pre-echoes the universal diffusion of knowledge in future when "...the earth will be filled with the knowledge of G-d, as the waters cover the ocean bed." Moreover, it foreshadows the promise of the above-quoted verse, that "all flesh will see ... ," for the image and sound is seen and heard simultaneously around the world. The electronic waves literally fill the earth and its atmosphere with the knowledge of G-d.

Entertainment: Let us sing a song:

Siddur Sefard, Birchat HaMazon, Birchat HaMazon
Translation based on the Metsudah linear siddur, by Avrohom Davis, 1981

By the rivers of Babylon, there we sat and we also wept, when we remembered Zion. Upon the willows in its midst, we hung our harps. For there our captors demanded of us words of song, and our tormentors asked of us [with] mirth; Sing to us from the song[s] of Zion. How shall we sing the song of Adonoy on alien soil? If I ever forget you, Jerusalem, may my right hand forget [its movement]. May my tongue cleave to my palate, if I remember you not; if I set not Jerusalem above my highest joy. Remember, Adonoy, to the sons of Edom the day of Jerusalem, [it was they] who said, Raze it, raze it to its very foundation. Daughter of Babylon, you are the annihilated one; fortunate is he who will repay you for all you have done to us. Fortunate is he who will take and dash your little ones against the rock.

The introduction of Kabbalah aka modern “science”, replacing Germaanse Wisdom with jewish “wisdom”. The ‘Renaissance’ or ‘Enlightenment’ with a little help from magic mushrooms. In freemasonic kabbalistic interpretation the word ‘reason’ means modern “science”.

Thomas Payne in his book ‘the age of reason’ brainwashes everybody to stop believing bible “science” and start believing in the hallucinations and fantasies of “scientists”. People love this guy and his book: “He is exposing the bible”. Sure and tells you to believe in spinning balls instead. And why:

The sixth century of the sixth millennium on the Jewish calendar corresponds to the period from 1740–1840, indeed a period of explosive advances in technology and science. At the same time, the gates of supernal wisdom were opened through the chassidic masters of the Kabbalah.

Now is the time to partake of both wisdoms, the earthly and the heavenly, to merge them as one and flood the world until the promise of the prophet is fulfilled:

> The earth will be filled with consciousness of G-d as water covers the ocean floor.

Scientific Proof Is A Myth

This image illustrates a gravitational lensing effect due to the distortion of space by mass.

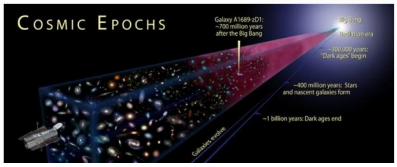
You've heard of our greatest scientific theories: the theory of evolution, the Big Bang theory, the theory of gravity. You've also heard of the concept of a proof, and the claims that certain pieces of evidence prove the validities of these theories. Fossils, genetic inheritance, and DNA prove the theory of evolution. The Hubble expansion of the Universe, the evolution of stars, galaxies, and heavy elements, and the existence of the cosmic microwave background prove the Big Bang theory. And falling objects, GPS clocks, planetary motion, and the deflection of starlight prove the theory of gravity.

Except that's a complete lie. While they provide very strong evidence for those theories, they aren't proof. In fact, when it comes to science, proving anything is an impossibility.

In order to come up with a model capable of predicting what will happen under a variety of conditions, we need to understand a few things.

1. What we're capable of measuring, and to what precision.
2. What's been measured thus far, under specific initial conditions.
3. What laws hold for these phenomena, i.e., what observed relationships exist between specific quantities.
4. And what the limits are for the things we presently know.

If you understand these things, you have the right ingredients to formulate a scientific theory: a framework for explaining what we already know happens as well as predicting what will happen under new, untested circumstances.



Our best theories, like the aforementioned theory of evolution, the Big Bang theory, and Einstein's General Relativity, cover all of these bases. They have an underlying quantitative framework, enabling us to predict what will happen under a variety of situations, and to then go out and test those predictions empirically. So far, these theories have demonstrated themselves to be eminently valid. Where their predictions can be described by mathematical expressions, we can tell not only what should happen, but by how much. For these theories in particular, among many others, measurements and observations that have been performed to test these theories have been supremely successful.

But as validating as that is — and as powerful as it is to falsify alternatives — it's completely impossible to prove anything in science.

So don't try to prove things; try to convince yourself. And be your own harshest critic and your own greatest skeptic. Every scientific theory will someday fail, and when it does, that will herald a new era of scientific inquiry and discovery. And of all the scientific theories we've ever come up with, the best ones succeed for the longest amounts of time and over the greatest ranges possible. In some sense, it's better than a proof: it's the most correct description of the physical world humanity has ever imagined.

“All so-called diseases have a special biological meaning. While we used to regard Mother Nature as fallible and had the audacity to believe that She constantly made mistakes and caused breakdowns (malignant, senseless, degenerative cancerous growths, etc.) we can now see, as the scales fall from our eyes, that it was our ignorance and pride that were and are the only foolishness in our cosmos.

Blinded, we brought upon ourselves this senseless, soulless and brutal medicine. Full of wonder, we can now understand for the first time that Nature is orderly and that every occurrence in Nature is meaningful, even in the framework of the whole.

Nothing in Nature is meaningless, malignant or diseased.”

“ Even as the sun seeks for the moon, so does the Holy One seek for the Schechina and finds her not, for the sins of man separate them. The worlds of the emanation and of the creation lie above the Throne of God. There, it is impossible to distinguish between the Holy One and the Schechina, because there all things are one. But below the throne, in the worlds of formation and of action, the distinction begins. As each sin which man commits brings a demon to life, these demons are the barrier that stands between the Holy One and the Schechina. The question is sometimes asked why God does not exterminate these demons that come between Him and the Schechina. But we have seen that the desire of the Supreme Thought was that, when man had drawn unto himself sin and death—by eating of the forbidden fruit—he was to be allowed Free Will, so that he might, little by little, elevate the lower worlds to the status of the upper. But Free Will would be impossible without the demoniac urge to evil. Hence, the Schechina prefers to suffer the pains of the invasion of demons, rather than to weaken the chances for

eternal happiness given to man. The Holy King is beauty, while the Queen, the Schechina, is the perpetual activity of the divine emanations permeating all existence. The King is the sun, while the Queen is the moon, her light being the true reflection of that of the sun.

“ The Matrona is the heavenly Esther, who fights against the evil designs of the Demon, even as Esther fought against those of Haman. The Demon tries to exterminate the human race, but the Matrona is full of compassion for her people and intercedes for them with the Heavenly King.

Matthew 10: Jesus and the demons

10 And when he had called unto him his twelve disciples, he gave them power against unclean spirits, to cast them out, and to heal all manner of sickness and all manner of disease.

Mark 5.12:

The demons begged Jesus, “Send us among the pigs; allow us to go into them.”

Mark 5:13 And forthwith Jesus gave them leave. And the unclean spirits went out, and entered into the **swine**: and the herd ran violently down a steep place into the sea, (they were about two thousand;) and were choked in the sea.

Matthew 4: Jesus heals the jews

23 Jesus went throughout Galilee, teaching in their synagogues, proclaiming the good news of the kingdom, and healing every disease and sickness among the people. **24** News about him spread all over Syria, and people brought to him all who were ill with various diseases, those suffering severe pain, the demon-possessed, those having seizures, and the paralyzed; and he healed them. **25** Large crowds from Galilee, the Decapolis,[g] Jerusalem, Judea and the region across the Jordan followed him.

"picarism" redirects here. Not to be confused with pica (disorder).

Piquerism (from the French *piquer*—"to prick") is a sexual interest in penetrating the skin of another person with sharp objects (such as pins, razors, knives, etc.). Sometimes, this is serious enough to cause extreme injuries or even death.[1] Piquerism is a paraphilia as well as a form of sadism. The most frequently targeted areas of the body are the breasts, buttocks, and groin.[2]

6 "If anyone causes one of these little ones—those who believe in me—to stumble, it would be better for them to have a large millstone hung around their neck and to be drowned in the depths of the sea. 7 Woe to the world because of the things that cause people to stumble! Such things must come, but woe to the person through whom they come! 8 If your hand or your foot causes you to stumble, cut it off and throw it away. It is better for you to enter life maimed or crippled than to have two hands or two feet and be thrown into eternal fire. 9 And if your eye causes you to stumble, gouge it out and throw it away. It is better for you to enter life with one eye than to have two eyes and be thrown into the fire of hell.

Jewish doctors and apothecaries:

Dearly Beloved Brothers in Moses!

We have received your letter, in which you report the hardships and misfortunes that you must suffer… The Great Council and the rabbis give you the following advice:

You report that the King of France wants to force you to become Christian:

"Join the church, but hold the Law of Moses in your hearts."

You report that you are forced to give up your property: Train your children to become merchants so that you may gradually rob the Christians of their possessions.

You report that your lives are in danger: "Let your children become doctors and apothecaries, so that they will be able to take the lives of the Christians…"

The Prince of the Jews of Constantinople, 21 Kislew 1489

The jew did what this letter commanded. And not only in France. His children became apothecaries and doctors everywhere in the world "so that they could take the lives of christians." To those not still convinced by this jewish letter, we turn to the law in the Schulchan aruch, which states the matter as clearly as one could wish. As confirmed during the *Stürmer* Talmud trial in 1931, Jore de' a 158,1 states:

"One should not directly kill those Gentiles with whom we are not at war. It is, however, forbidden to save them when they are near death…. Therefore, one should not heal them, even for money… It is also permitted to test a medicine (medical poison) on Gentiles to see if it is beneficial or harmful."

the ritual of putting on the phylacteries, or *tefillin*. In the other view, which is far more radical, a letter is actually lacking in our alphabet; in our aeon this letter is not manifested and hence does not occur in our Torah. The implications of this view are obvious. The original divine alphabet and hence the complete Torah contained 23 letters, one of which has become invisible to us and will again be made manifest only in the next *shemittah*.[1] It is only because this letter is missing that we now read positive and negative ordinances in the Torah.[2] Every negative aspect is connected with this missing letter of the original alphabet.

This is to say that DNA contains information regarding how the organism will develop, how it lives and reproduces etc. Therefore, the DNA may be described as the blueprint of a living organism.

Each cell in the human body contains DNA that is 6 feet long, has approximately 3 billion base pairs and contains 30,000 genes. If we simply calculate the length of the DNA on the basis of the distance between each nucleotide, i.e. 0.34 nm or 0.34 x 10-9 m.

THE FORM OF MAN

"During the moment in which the terrestrial union is accomplished the Holy One sends down a form on which is imprinted the Divine Seal, and which resembles the form of man. This form completes the earthly union. Had the eye the power to see this form, it would observe at its head an image resembling a human face. This image is the model upon which we have been procreated. But until the moment that it comes down to earth and rests on our head procreation cannot have taken place. It is this Image of God that receives us when we first come to earth. It is this image which grows with us, as we grow. And it is in company with this image that we leave the earth. At the moment when the soul is ready to descend to its earthly abode it appears before the King of Heaven garbed in a sublime form, on which are already engraved the traits by which this particular man is to be known upon earth. The *Divine Image* precedes us upon earth and waits for our coming from the moment in which conception has taken place. It is always present during the conjugal act.

THE TYPES OF MAN

"Now let us consider the outer traits of the face. This mystery is known only to the Sages who have penetrated to the depths of wisdom. These traits are not congenital, but take their form according to the conduct of man. The twenty-two letters of the alphabet are imprinted on each soul, which in turn impresses them upon the body it animates. The general traits transmitted by the mother form four general types which are: the face of a man, of a lion, of an ox and of an eagle. Then the soul impresses on the face the different traits by which we recognize man. These also take four general types. The first type is the one that walks

You can find the sources of all modern "science" concepts in my dutch presentations. My writing is in Dutch but the source materials are in english: Zohar, Sefer Yetzirah, Tanya and related books. Modern "science" is completely and totally based on hallucinations about YaH, Shekhina, ghosts, demons, angels, sephiroth and letters. Written down by psychedelic-addicted Kabbalists based on the "wisdom" of the 'most high' (I am pretty sure this term is an inside joke) of all junkies: YaHWeH.

We used to be united by one language: Diets. What happened? 'YaHWeH' invented languages for every nation. Dividing everybody.

Genesis 11:

11 And the whole earth was of one language, and of one speech.

Genesis 11:7 Go to, let us go down, and there confound their language, that they may not understand one another's **speech**.

Genesis 10:

5 By these were the isles of the Gentiles divided in their lands; every one after his tongue, after their families, in their nations.

1 Corinthians 12: In short

28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues.

29 Are all apostles? are all prophets? are all teachers? are all workers of miracles?

30 Have all the gifts of healing? do all speak with tongues? do all interpret?

31 But covet earnestly the best gifts: and yet shew I unto you a more excellent way.

Psalm 67: Summary

67 God be merciful unto us, and bless us; and cause his face to shine upon us; Selah.

2 That thy way may be known upon earth, thy saving health among all nations.

3 Let the people praise thee, O God; let all the people praise thee.

4 O let the nations be glad and sing for joy: for thou shalt judge the people righteously, and govern the nations upon earth. Selah.

5 Let the people praise thee, O God; let all the people praise thee.

6 Then shall the earth yield her increase; and God, even our own God, shall bless us.

7 God shall bless us; and all the ends of the earth shall fear him.

So all in all we can say: If all the above did not happen / does not exist in Reality….

- Making mendacious, dehumanizing, demonizing, or stereotypical allegations about Jews as such or the power of Jews as collective – such as, especially but not exclusively, the myth about a world Jewish conspiracy or of Jews controlling the media, economy, government or other societal institutions.

… that means either:

1. The jews are not following the commandments in the bible, which means it is just a book of fairy tales and YaHWeH does not exist, so the jews are not chosen, righteous and YaHWeH's favourite slaves, and therefore have no 'right' to rule over us and inherit the earth; OR

2. The jews are following the commandments in the bible, as they claim they are doing, but it is all a myth: The bible is a book of fairy tales with a non-existing YaHWeH, and therefore we are all in the middle of a Psychosis.

Wow, didn't I mention that somewhere? And they admit it. Right there it says it is all a myth, a fairy tale, a Psychosis, fantasy-world, Kabbalah-Land.

In the Real World = wr'alda, there are no countries, no nations, no governments, no constitutions, no courts of law based on the laws of YaHWeH, no United Nations with Human Rights, "wisdom" from YaHWeH, no chosen, righteous children of YaHWeH, no magical money, no modern "science" and no YaHWeH: It is all a myth. It only exists in the Psychosis we are in.

This also means you are only anti-semitic when you say the (jewish) government is real. However, when you say the government and their ruling 'right' is a myth, a fairy tale, you are not anti-semitic. Anti-semitism only exists in the Psychosis. I have already explained that jews are not a tribe or ethnicity. Jew is a term in Diets for insidiousness and idolatrous liars and deceivers, which they used to describe all the priests, from whichever collective delusion. All Kabbalists are jews. All religious people are jews, whichever religion = psychosis they believe in.

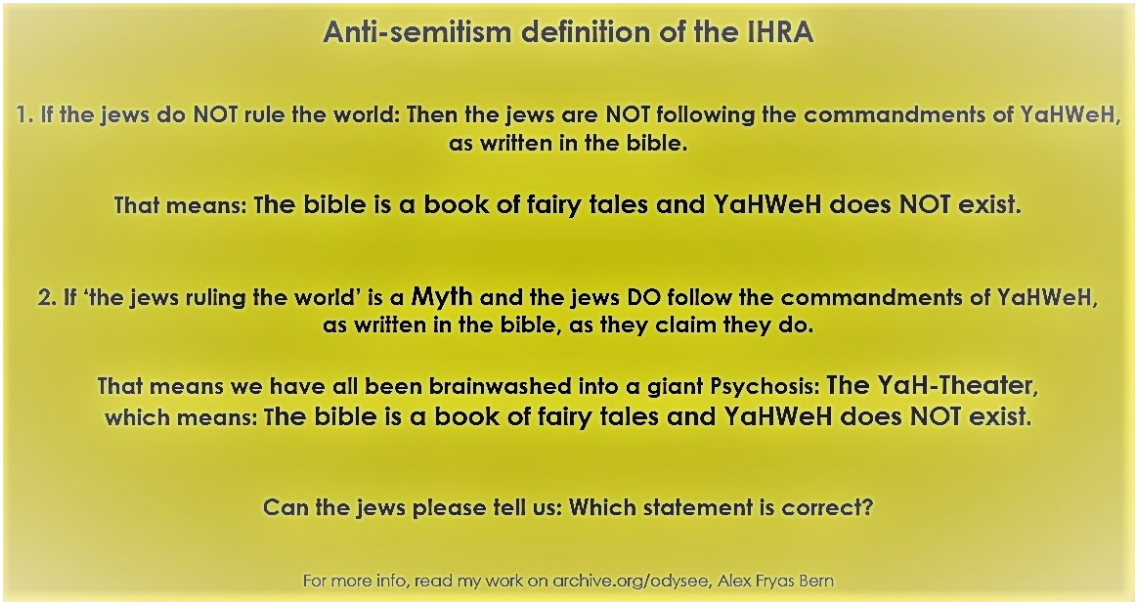
And who is keeping that Psychosis alive? YOU, because you behave as if this is all real. You patriots, christians, muslims, communists, 'pagans', and everybody else who believes in YaHWeH, the bible or any of the other kabbalistic books and ramblings. It is all a myth. It is not Real.

So stop complaining about this document, it is BRILLIANT. They admit you are living in a Psychosis. In Reality the jews have absolutely no power over you, unless you play along in this myth. You can step out of this Psychosis, but you will have to start denying this whole human rights-based system and start taking responsibility for your own speech, life and behaviour.

Why don't we all just tell these fake authorities that they can shove their rights in their back side hole and start doing our Duty: Live life to the fullest, enjoy Nature and each others company and take responsibility for our own lives, body and Seele. You do not need their permissions. You need to give yourself permission to do what you have been programmed to do: Governing YourSELF.

Why is there a whole army of agents of the YaH-Theater on-line crying about rights? Not just to keep you in slavery and brainwashed, no. The top of the YaH-Theater has given themselves, allright given by YaHWeH, the 'right' to rule over you. The moment you start denying these 'god-given', inherent rights, then also their 'right' to rule over you disappears.

'They' cannot take away your 'god-given' or inherent rights because you never had rights to begin with. If they had been real nobody would be able to take them away. Nobody can take away your Duties to tell the Truth, live in Reality and Govern yourSELF. Even the writers of the bible had to admit that, hence the Esau-Blessing. It is all a Hoax to keep you busy talking about something that does not exist, and keep you begging daddy-government if you can please, please stay up an hour later so you can watch your favourite TV programme before you go to bed, so you do not have time to listen to your Seele and find out who you truly are.

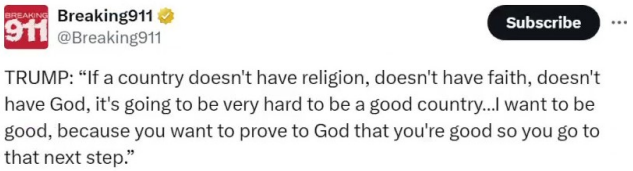


What comes next.

As we have already seen the philosophy of human rights from a hypothetical “state of nature” is going to be taken away. We will have to go back to the start of the YaH-Theater: The old testament. That means the laws given by YaHWeH. Jesus goes out the window.

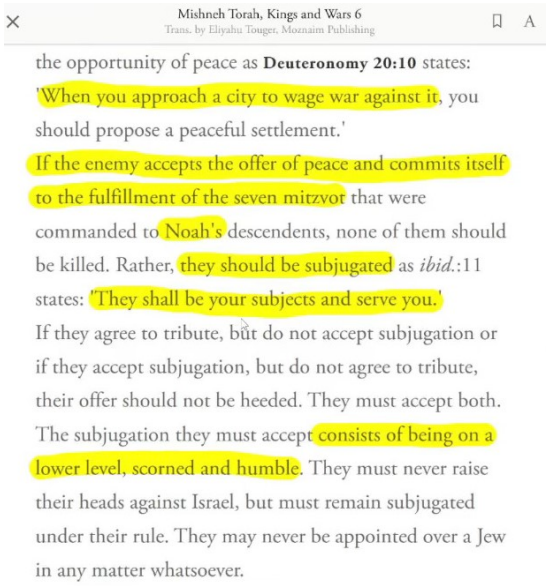
I expect that a whole army will be let loose on the internet to get rid of the human rights and replace them with the Noahide Laws. The philosophy of inherent rights has done its job to get everybody in a slave mindset. Now ‘they’ need us back to the 15th century delusion of ‘the bible is the only ‘truth’’. This also means that the divine-right to rule from governments will disappear.

There will be a one world government with a messianic king. That is why we have the anarchists who are brainwashing people to get rid of the government, however, everybody will of course still have the ‘right to religion’. That is the plan.



No governments of separate countries anymore. The whole earth will become Israel and the jewish king will rule from the capital of the world: Jerusalem, which is currently called Israel.

The Plan:



Mishneh Torah, Kings and Wars 6

the opportunity of peace as **Deuteronomy 20:10** states: 'When you approach a city to wage war against it, you should propose a peaceful settlement.' If the enemy accepts the offer of peace and commits itself to the fulfillment of the seven mitzvot that were commanded to Noah's descendents, none of them should be killed. Rather, they should be subjugated as *ibid.*:11 states: 'They shall be your subjects and serve you.' If they agree to tribute, but do not accept subjugation or if they accept subjugation, but do not agree to tribute, their offer should not be heeded. They must accept both. The subjugation they must accept consists of being on a lower level, scorned and humble. They must never raise their heads against Israel, but must remain subjugated under their rule. They may never be appointed over a Jew in any matter whatsoever.

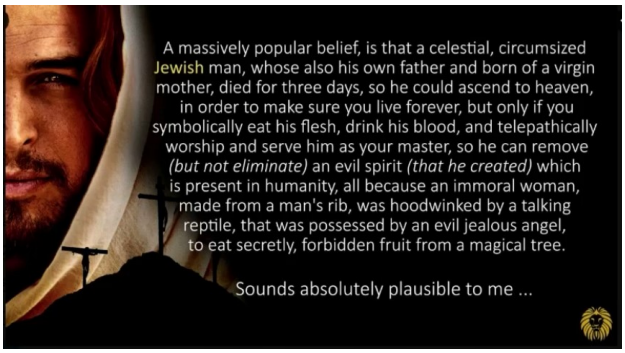
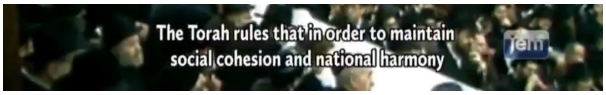
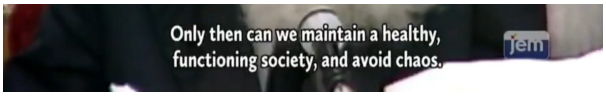
It is our duty to force all mankind to accept the seven Noahide laws, and if not ~ they will be killed." ~ Rabbi Yitzhak Ginsburg

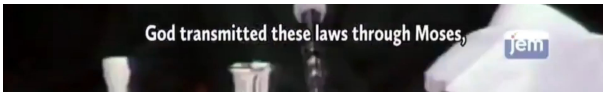
"It is permissible to kill the Righteous among Nations even if they are not responsible for the threatening situation. If we kill a Gentile who has sinned or has violated one of the seven commandments – because we care about the commandments — there is nothing wrong with the murder."

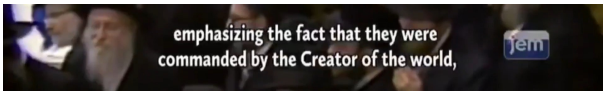
– Rabbi Yitzhak Shapiro, in the recent book "King's Torah"

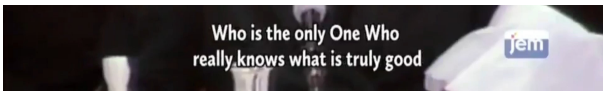


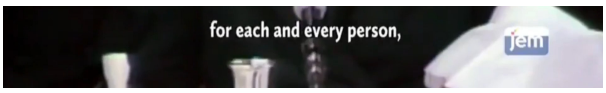


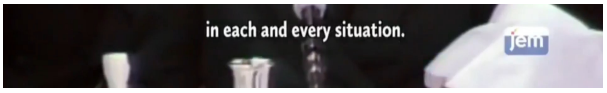


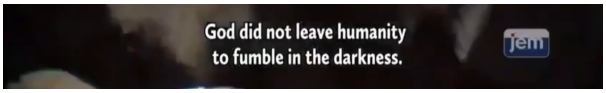


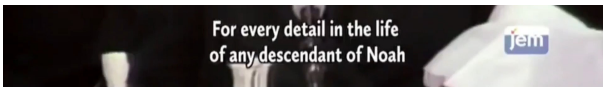


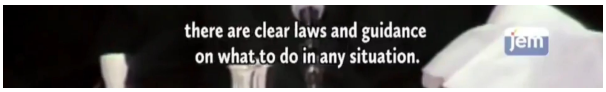


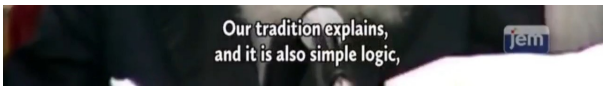


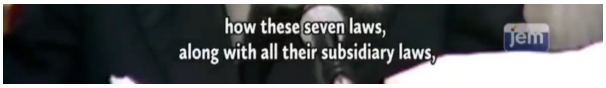


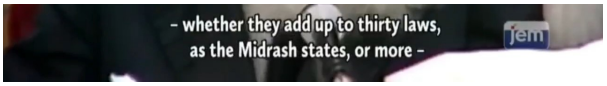


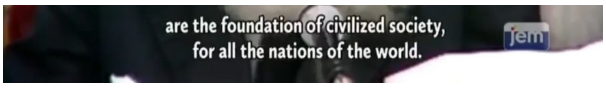


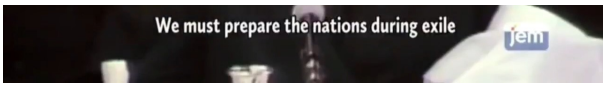


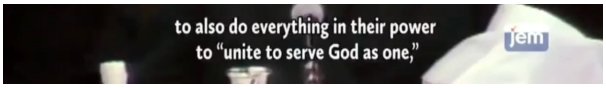


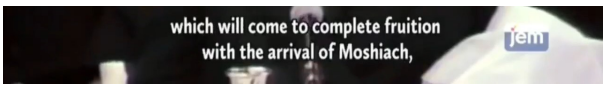


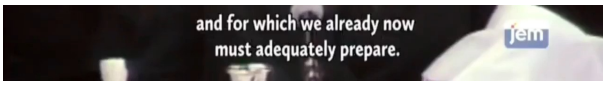


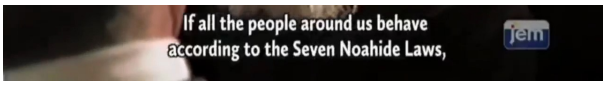


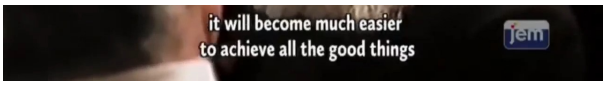


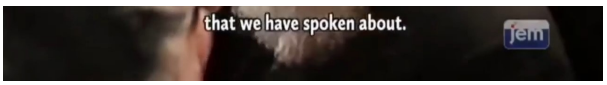


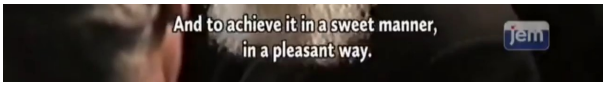












Note that the jews took our Wisdom and then twisted it and turned it into schizophrenic jewish (= idolatrous) "wisdom". In our Wisdom we talk about Wr'Alda, Seele, Mod and Conscience. The jews changed that into YaHWeH, Torah and Noahide Laws.

Jewish "wisdom":

"Wisdom"

Psalm 111:10: The fear of the Lord is the beginning of wisdom: a good understanding have all they that do his commandments: his praise endureth for ever

Psalm 37:30: The mouth of the righteous speaketh wisdom, and his tongue talketh of judgement

Proverbs 29:15: The rod and reproof give wisdom, but a child left to himself bringeth his mother to shame

Deuteronomy 4:

5 Behold, I have taught you statutes and judgments, even as the LORD my God commanded me, that ye should do so in the land whither ye go to possess it.

6 Keep therefore and do them; for this is your wisdom and your understanding in the sight of the nations, which shall hear all these statutes, and say, Surely this great nation is a wise and understanding people.

9 And the Lord shall be king over all the earth: in that day shall there be one Lord, and his name one.

10 All the land shall be turned as a plain from Geba to Rimmon south of Jerusalem: and it shall be lifted up, and inhabited in her place, from Benjamin's gate unto the place of the first gate, unto the corner gate, and from the tower of Hananeel unto the king's winepresses.

11 And men shall dwell in it, and there shall be no more utter destruction; but Jerusalem shall be safely inhabited.

12 And this shall be the plague wherewith the Lord will smite all the people that have fought against Jerusalem; Their flesh shall consume away while they stand upon their feet, and their eyes shall consume away in their holes, and their tongue shall consume away in their mouth.

13 And it shall come to pass in that day, that a great tumult from the Lord shall be among them; and they shall lay hold every one on the hand of his neighbour, and his hand shall rise up against the hand of his neighbour.

14 And Judah also shall fight at Jerusalem; and the wealth of all the heathen round about shall be gathered together, gold, and silver, and apparel, in great abundance.

Trump and the new United Nations, because the old one is anti-semitic……

Letter from the Nascent Sanhedrin to President Donald J. Trump

Jerusalem, Wednesday, February 12, 2025

Dear Honorable President Donald Trump,

May Hashem, the Creator, bless you and your nation!

We extend our heartfelt gratitude for bringing faith to the forefront of American and global culture through the establishment of the Faith Office in the White House. Your recognition of the importance of religion in public life is a step toward restoring moral values and spiritual leadership in the world.

The Universal Moral Code

The Book of Genesis has a profound message of unity and divine purpose for humanity through three fundamental principles:

1. One God – To recognize the cause of all causes (Genesis 1:1).
2. One First Man – To affirm the basic equal rights of humanity (Genesis 1:26).
3. One Basic Law – To establish universal principles of justice (Genesis 2:16).

Without a constructive moral framework, humanity descends into violence and destruction, as exemplified by Cain's murder of Abel (Genesis 4:8). Every nation has unique strengths and resources, yet no nation is self-sufficient. Without a Universal Ethical Common Code, people resort to war and oppression to obtain

Sanhedrin Letter to Trump: "You have been elected to fulfill a heavenly mission"

ADAM ELIYAHU BERKOWITZ ISRAEL NEWS FEBRUARY 14, 2025 4 MIN READ

The Nascent Sanhedrin published an open letter to President Donald Trump, blessing him for putting faith at the forefront by establishing a White House Faith Office. The Sanhedrin called on the President to establish an International Divine Court for all nations.

"Dear Honorable President Donald Trump,

3. A Share in the World to Come – Those who follow these principles merit a place in the hereafter.

"Enclosed with this letter, we have included the Universal Ethical Common Code (UECC), which outlines the benefits of adopting the Seven Commandments of Noah."

- When Hashem gave the Children of Israel the Torah, He provided an ethical standard for the entire world. This standard is known as the Seven Commandments of Noah, which form the basis of universal morality.
- When a person accepts the Seven Noahide Laws, they receive divine blessings:

"You have been elected, as Cyrus was in his time, to fulfill a heavenly mission:

- To unite all believers in God and foster ethical cooperation across all spheres of human activity.

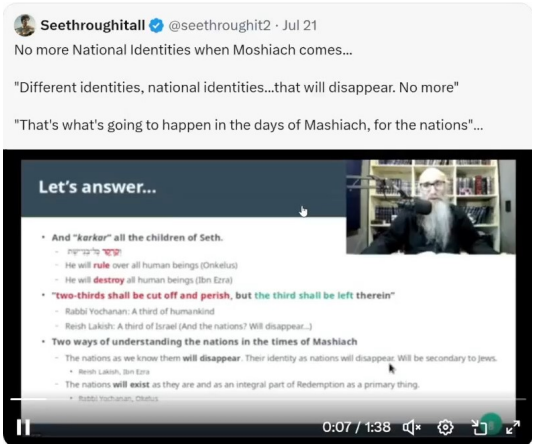
A Call to Establish an International Divine Court – IDC

" We invite you to meet with the Sanhedrin Court Rabbis in Jerusalem to discuss the establishment of an International Divine Court (IDC) for all nations. This court would be based on the seven universal commandments given to Noah and reaffirmed at Mount Sinai—a foundation for global peace and divine justice.

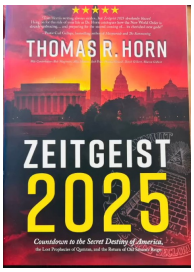
"May Hashem bless you with wisdom, strength, and success in your divine mission."

'They' will remove all countries, governments, constitutions, identities and human rights and replace that with the one world Moschiach Psychosis based on the 7 Noahide Laws. The United Nations will be removed and a Sanhedrin Court will be set up in Israel in charge of judging whether or not you follow the 7 Noahide Laws. Basically judging whether you are psychotic enough to be allowed to live. If not, decapitation is on the menu.

It is not allowed to be a good human being because you have a conscience and listen to it, that is evil and 'satanic', you have to behave good because YaHWeH told you so. As I have written before: you will be stripped from everything. It is your choice to do that yourself and return to Reality or 'they' will do it and you will have to live under YaH-tyranny forever. Your choice.



Fear-porn or is this the plan for the coming weeks ahead? Who knows, I do not have the script but 2025 = 9 = completion. 2026 = 10 = divine order:



The year 2025 is also the one envisioned ten years ago in a series of studies co-organized by the Atlantic Council and government organizations from Europe, the US, Beijing, Tokyo, Dubai, and other partnering nations that led the US National Intelligence Council and the EU Institute of Security Studies to produce a report titled *Global Governance 2025: At a Critical Juncture.*[4] In this document, the highest-level intelligence agencies in the world determined that a global government could emerge around 2025 from "an unprecedented threat" that would materialize requiring all nations to lay down their differences and come together in mutual defense of one another against an unprecedented "menace." Eva Vlaardingerbroek Reject Globalism Embrace God

Because, you know, we do not have enough YaH in the YaH-Theater yet.

Yah, the Lord...

In Hebrew, this is written as *YH YHVH* (יה יהוה). It was with these six letters that God created all things. It is thus written, "Trust in God for eternity of eternities, for with *YH YHVH* He formed universes" (Isaiah 26:4).[40]

YaH means One (also stands for pillar / penis). WeH means pain. PenisPain. Read my presentation on the Torah PsyOp for an explanation on that subject.

Matthew 19: YaH = one

17 "Why do you ask me about what is good?" Jesus replied. "There is only One who is good. If you want to enter life, keep the commandments."

When Jesus says 'life' he means heaven, life = death.

Pillar = I = Righteous = YaH

102. We learned: There is a single pillar extending from heaven to earth, and its name is Righteous *(Tzadik)*.
[This pillar] is named after the righteous. When there are righteous people in the world, then it becomes strong, and when there are not, it becomes weak.
It supports the entire world, as it is written, "And Righteous is the foundation of the world."
If it becomes weak, then the world cannot endure.
Therefore, even if there is only one righteous person in the world, it is he who supports the world. It is therefore written, "And a righteous one is the foundation of the world."
You should therefore take My lifted offering from him first. Then *(Exodus 25:3)*, "And this is the lifted offering that you should take from them" – from the rest. What is it? "Gold, silver and copper."

The Hebrew Goddes by Raphael Patai:

time of the coupling of the Matronit. "Hold fast to My Covenant" means that they hold on to that part of the godhead which carries the sign of the Abrahamic covenant, the Sephira of the Yesod, which stands for the masculine member, and through which the King unites with the Matronit. The Zohar

Genesis 17:

9 And God said unto Abraham, Thou shalt keep my covenant therefore, thou, and thy seed after thee in their generations.

10 This is my covenant, which ye shall keep, between me and you and thy seed after thee; Every man child among you shall be circumcised.

11 And ye shall circumcise the flesh of your foreskin; and it shall be a token of the covenant betwixt me and you.

12 And he that is eight days old shall be circumcised among you, every man child in your generations, he that is born in the house, or bought with money of any stranger, which is not of thy seed.

13 He that is born in thy house, and he that is bought with thy money, must needs be circumcised: and my covenant shall be in your flesh for an everlasting covenant.

14 And the uncircumcised man child whose flesh of his foreskin is not circumcised, that soul shall be cut off from his people; he hath broken my covenant.

Contrary to popular belief:

The ‘truth’ (= YaHWeH’s orders) will NOT set you free, it enslaves you.

Psalm 119:

142: Thy righteousness is an everlasting righteousness, and thy law is the truth.
151: Thou art near, O Lord; and all thy commandments are truth.

John 8:

28 Then said Jesus unto them, When ye have lifted up the Son of man, then shall ye know that I am he, and that I do nothing of myself; but as my Father hath taught me, I speak these things.

29 And he that sent me is with me: the Father hath not left me alone; for I do always those things that please him.

30 As he spake these words, many believed on him.

31 Then said Jesus to those Jews which believed on him, If ye continue in my word, then are ye my disciples indeed;

32 And ye shall know the truth, and the truth shall make you free.

33 They answered him, We be Abraham's seed, and were never in bondage to any man: how sayest thou, Ye shall be made free?

34 Jesus answered them, Verily, verily, I say unto you, Whosoever committeth sin is the servant of sin.

35 And the servant abideth not in the house for ever: but the Son abideth ever.

36 If the Son therefore shall make you free, ye shall be free indeed.

Only when you set your Seele free, by living in Reality, will you be free.

If you want to be free then stop being a slave. Only you can set yourself free.

Be an Esau:

Genesis 27: The Esau-Blessing

40. Thou shalt feed upon thy sword, and shalt serve thy brother. And it shall come to pass, that thou shalt also be a lord, and shalt break his yoke from off thy neck.

Isaiah 14: Again the Esau-Blessing

24 The Lord of hosts hath sworn, saying, Surely as I have thought, so shall it come to pass; and as I have purposed, so shall it stand:

25 That I will break the Assyrian in my land, and upon my mountains tread him under foot: then shall his yoke depart from off them, and his burden depart from off their shoulders.

26 This is the purpose that is purposed upon the whole earth: and this is the hand that is stretched out upon all the nations.

The Root of all Evil: Stupidity, Laziness and Subservience.

Too Stupid to govern your own life, too Lazy to take care of your own life and too Submissive to take responsibility for your own life.

That is the summary of the Inherent Rights-Hoax and 'Right to Freedom of Speech' PsyOp.

You can call it: christianity, communism, fascism, national socialism, democracy, judaism, capitalism, islam, technocracy, monarchy, modern "science"ism, republicanism, bolsjevism, buddhism, 'paganism', hinduism, humanitarianism, gnosticism, voluntarism, New Age, or whatever else word they invented to create confusion and division.

Yes, it is all the same, it is all Kabbalah and I call this psychotic world order:

The YaH-Theater.

Do your Self a favour and:

Move out of the YaH-Theater and Get Real!

And do it fast, because we do not know how much time we have left before the prison cell-doors close and we will be in lock-down forever. In this country, after years of brainwash that preppers are insane people, the government is now telling everybody to have food, water and cash in the house for 3 days, in preparation for possible electricity, water and internet fall out. Maybe it is just fear-porn, but maybe something is going to happen. Who knows…..

Why don't you stop waiting and start saving yourself from your own schizophrenic state.

Afterword.

Never, will I tell you to believe anything I write. Never. You use your logic, common sense and experience to get to the Truth. Believing me will not get you out of this mess. KNOWING is what you need to get out of this Pychosis. So, do not believe anything I wrote.

If you want to know when you have achieved the erasure of all beliefs, I can give you my experience: The moment I got rid of my last belief I felt an enormous emptiness in my brain. I got a bit scared that I had gone full dementia-mode, however all memories were still intact. It is a very strange feeling, like a hole in your brain. It took some time, like a week, to get used to it. From that moment on the Theater became a joke, including everybody on the internet.

You can see clearly what is happening, and all that is left is frustration that others are just not capable to get out of their self-induced insanity. You see people having spent ten or more years promoting their fantasies, and you know that they will never abandon their psychosis. That makes me sad. Seeing people like Adam Green doing good work on christianity but at the same time dragging people further into a schizophrenic state makes me sad and frustrated.

Everybody uses fake choices to push you into believing their fantasies: “If you do not believe this, then you believe that.” “If you do not believe what I believe, then you are my enemy and I will block you from commenting.”

Nobody lets you choose Reality, you can only choose a fairy tale. It does not even occur to people that there is something called Reality, and that there are people out there who do not believe in fairy tales, and that those people are not their enemy but actually try to help them back to sanity. They all want other people to stop believing in fairy tales, but at the same time refuse to let go of their own. If they would all start with themselves and show others how to let go, then they would be in a position to tell other people to let go.

They are all using the same tactics, because they are all in the same mindset: Their own schizophrenic bubble. While realising some of Reality, they then guide you into their own invented psychosis. Everybody does it: 20% Reality, 80% fairy tales in the best case scenario, in the worst it is 1% Reality and 99% fairy tales.

All of them complain about having to pay the government for being brainwashed. All of them ask money from people so they can brainwash them. What is the difference? All of them complain that the government should not tell them what to do. All of them will tell you what to eat, what medicine to take, how to behave, etc. What is the difference? They do not like the government because they themselves want to be the one telling other people how to live their lives.

They all feel the need to tell other people how to solve their problems. They do not know any of these people. How would a complete stranger know what I should eat? Only my body knows what it needs. Same arrogance as the government. People want to control others, and why? Because they do not control themselves. The moment you are in control of yourself you do not feel the urge to control others. It is that simple.

Content creators (whether they are paid from above or below) will not be able to get out of it, because they will have to apologize to all their followers, who gave them money, that they have been lying to them for all those years. It is just not going to happen. The internet has served ‘them’ so well.

Deleting your channel and stop following others, so they are forced to quit their channel, might be our only way out. If you care about those people on the internet then you help them getting back to Reality by unfollowing their channel. It might be the only way to get them to snap out of their fantasy-world. Explain to them why you quit. We have to help each other getting the courage to abandon all beliefs.

An echte Frya has the courage to admit to his/her mistakes and helps others to do the same. We need each others support and encouragement. If we do not take action now, soon it might be too late.

Although Reality is a lonely place at the moment, it is the only place where we can unite.

We all made the mistake of believing in things which are not true, all of us including me. It is impossible not to have been brainwashed, since everything you have ever heard or read is a lie. Nobody has escaped the brainwash. I was lazy, stupid and subservient, like everybody else. But I got the courage to stand up and abandon that state of mind. I am not special and I do not have powers others do not have, I am just like everybody else. So, if I can do it, you can do it.

As it stands now it will be impossible to get out of this YaH-Theater. Not because of ‘them’ but because of the people themselves. Unless somebody figures out a way to break through the wall of narcissism and arrogance of the people, we will never get out. If you have found out how to break the walls please go ahead and plaster the whole of the internet with it. Because I do not know how to get through. I am sorry.

Good luck and thanks in advance for your help.
